Dear Students & Families,

It is with mixed emotions that we kick off the 2021-2022 school year! Maggie O’Sullivan, our co-founder and school leader of six years, has concluded her time at Rainier Prep and that leaves many of us feeling a loss. At the same time, we are very excited that our community will be able to be together in-person starting with August Family Meetings! We are thrilled for field studies, to see each other in the hallways and connect, to welcome new families, and learn in the same space. We are confident that the Rainier Prep community we build and sustain together this year can be a source of support, strength and growth for all of us.

Since our founding, we at Rainier Prep have sought and will continue to seek to provide a school where each child is known well, challenged, asked to question and wonder, encouraged to be truly curious about their world, and able to build academic and leadership skills for success in college and life.

Rainier Prep provides a high rigor and high support environment so that all students can be on the pathway to college. We have an incredible staff who deeply believe in the potential and possibility of each and every one of our students. We build skills in reading, writing, and math that create the foundation for other learning and skill acquisition. In addition to these skills, our students build robots, read and analyze novels from around the world, ask who gets to write history and how, create explosive and messy science experiments, work collaboratively across grade levels on their portfolio projects, and build strong friendships in their advisory groups.

At Rainier Prep, our goals for our students are bold. By working closely together, we seek to make it possible for every student who steps through our doors to go to and through college. In their time with Rainier Prep, your student(s) will have the chance to build their skills as a scholar and a leader. This pathway will not be easy, and there will be challenges along the way. But we will stay focused on the goal, work together, and persevere.

What follows this letter is the Rainier Prep Family Handbook which was created to help you and your student(s) be successful in reaching our goals. Please read the Handbook carefully and contact us with any questions. To new families: welcome! We are so excited to get to know you! For returning families: welcome back! You’ll notice a few changes within the handbook so please go through it. Together, we are building an amazing school community that can positively impact our world and all of our lives.

Sincerely,

Morgan Fernandez

I. RAINIER PREP

A. INTRODUCTION
Rainier Prep is a college preparatory, public 5th – 8th grade school located in the Highline area. We prepare students to be successful in college prep high school classes by balancing the day with core academic skill building and real world project based learning. To accomplish this goal, we must work together as partners to make sure all of our students are successful.

The core values that drive Rainier Prep’s educational program are Grit, Urgency, Integrity, Discovery, Excellence, and Society (GUIDES). We believe in partnering closely with families and communities to foster a growth mindset of continuous improvement in all students.

B. MISSION
Rainier Prep's mission is to prepare all students to excel at four-year colleges and to become leaders in their communities.

II. SCHOOL CULTURE

A. GUIDES
GUIDES is an acronym for the values we expect Rainier Prep students, staff, and families to live by everyday (Grit, Urgency, Integrity, Discovery, Excellence, and Society). We strive to go beyond expectations and be daily GUIDES to each other as we seek to develop our students and achieve our mission of college graduation and life of leadership.

C. Uniforms and Dress Code

Uniforms and a Dress Code help maintain a school culture of unity and academic excellence. Our students wear uniforms to make clothing selection easier for families, avoid the inevitable distractions and status distinctions caused by clothing, and ensure that our students are focused on learning, not what other students are wearing.

Uniform:

- Navy, white, khaki, grey or black skirts, shorts, jumpers, dresses, or pants
  - Shorts and skirts should go to the knee
  - No jean or jean styled material
  - No sweatpants or sweatpants style material
  - No leggings or tights without real pockets
- Navy, white, khaki, grey, black or light blue collared shirt (short or long-sleeve)
- Visible undershirts must be solid navy, white, khaki, grey, or black
- Navy, white, khaki, grey or black sweaters/crewneck sweatshirts, including those with Rainier Prep logo with collared shirt
- Tights and hijabs must be free of decorations/designs and be navy, white, khaki, grey, or black in color
- Closed-toe shoes that can be worn for in-school sports activities (no sandals or heels even on free dress days)
- No clothing, jewelry, accessories, or hair that is a distraction to the learning of the student or others
- Jackets and hoodies may not be worn in class
- Hats may not be worn in the building
- Students are encouraged to wear Rainier Prep or college shirts or sweatshirts on Fridays

We strongly prefer no logos or branding or other forms of decoration on clothing unless it’s Rainier Prep. However, we will allow non-Rainier Prep logos on a collared shirt if they are smaller than the size of a quarter (coin).

If a student cannot correct a uniform infraction themselves, parents will need to immediately bring the appropriate item(s) to school, so the student is in uniform. Hygiene packs are critical for this reason!

Rainier Prep will have Spirit Days throughout the year where students may wear themed outfits. Additionally, students can earn free dress as an incentive. Clothing choice on these days must be respectful of a learning environment. For example, shorts and skirts should go to the knee and shirts should have at least short sleeves. Please ask your student’s advisor if you need to confirm free dress on any given day.

Hygiene Packs:
All students will need a hygiene pack stored in their Advisory room. Families will send this pack to school with their students during the first week of school. The hygiene pack should include a clean uniform, an undershirt, socks, undergarments, deodorant, refreshing wipes (e.g., Kleenex Splash & Go), large baggies (for any dirty or wet clothes), and sanitary napkins.

To reduce loss, your student’s hygiene pack and all clothing/items contained within should be clearly labeled with your student’s first and last name. Please check in regularly with your student about the status of their hygiene pack as they should be replenished as needed by the student.

III. Academics
A. Overview

Rainier Prep’s daily schedule is designed to meet our goal to prepare all students to excel in a four-year college
and become leaders in their communities. The school day consists of courses in Advisory, Reading and Math Blocks, English Language Arts, Social Studies, Physical Education, Math, Science, and Enrichment.

Advisory classes will include content related to social / emotional learning, building positive relationships, conflict resolution, leadership, executive functioning, and organization, to ensure students have the skills and resources they need to be successful.

All students will experience both a Reading Block and a Math Block in their morning. Reading Block will be focused on building foundational skills as well as growing comprehension and discussion abilities. Math Block will give students additional time to process their learning from class and deepen or extend their understanding of certain concepts.

Math, English Language Arts (reading and writing), and Social Studies focus on accelerating all scholars in their foundational skills so that they are prepared to excel in high school.

Science assists students in becoming lifelong learners who discover and grow in their understanding of the world. The course combines essential topics in Earth, Life, and Physical Sciences.

Enrichment is an elective course where students will have diverse learning experiences outside of the traditional classroom model. They will have the opportunity to learn new skills, work together as a community, and further build on their leadership skills.

**B. Homework and Reading**

Homework is assigned in order to establish patterns of responsibility, develop successful study habits, help students learn to work independently, allow students to discover and explore topics and issues based on individual interests and needs, and prepare students for rigorous college prep classes.

All students are expected to read independently **30 minutes every day outside of the school day**. This reading may include reading assigned by teachers or independent reading chosen by the student. In 5th-6th grade, students will complete a reading log to demonstrate that they read and to create the habit for daily reading. In 7th-8th grade, students are still expected to read daily, but it will not be tracked on a reading log. Research shows students who read regularly increase their vocabulary, score better on standardized tests and often improve their grades. The chart below represents approximately how long students will need for their homework if their skills in that content area are on grade level. Also, weekend homework is longer than a weekday. **If homework is taking significantly longer than expected, please contact your student's Advisor.**

C. HOLIDAY AND SUMMER HOMEWORK

We are committed to ensuring students continue to grow and develop even during school breaks—a time when students can lose the gains they have made during the school year. To combat this, we may assign homework over holidays. All students should read daily throughout vacation. Many of our online learning programs are available for usage during breaks to practice skills and the library is a great resource for these times as well.

Students may be required to complete assignments over the summer if they underperform during the school year. This will both support them in understanding key foundational concepts and demonstrate the competency necessary for success in the next grade level.

D. GRADES

English Language Arts, Math, Physical Education, Science, and Social Studies courses are graded on an A-F scale. A passing grade is 70% or above. The chart below shows grade and corresponding percentage. There are four quarters in the school year, and students’ grades start fresh at the beginning of each new quarter. Students and families will check the grades on the Synergy Parent Portal (https://warai.edupoint.com/PXP2_Login_Parent.aspx). Teachers update the grades at least weekly, usually more often.

English Language Arts, Math and 7th and 8th Social Studies are graded:
- 40% classwork/participation
- 40% assessments/projects
- 20% homework.

Science:
- 50% classwork/participation
- 50% assessments/projects

5th and 6th Grade Social Studies and all Physical Education are graded:
- 50% classwork/participation
- 50% assessments/project

* When applicable, grades may include: P (Passing), F (Failing), M (Medical), and I (Incomplete)

*Reading and Math Block grades will be graded on a Pass / Fail scale and be based on participation and engagement during those times.

E. FIELD STUDIES

We take students on field studies to support the classroom curriculum and provide meaningful learning experiences. Information about upcoming field studies will be sent home regularly.

We often ask for adult volunteers to serve as chaperones. If you would like to chaperone a field study, please notify your student’s advisor. Additionally, we will need to complete a background check on all chaperones one week prior to the field study, which can be filled out and returned to the office.

For student and/or staff safety, we will occasionally ask that you or another trusted adult accompany your
student on the field study as an additional chaperone. If you cannot attend, your student may not be able to attend the field study. Additionally, students may not be invited to attend if past behavior warrants concern. Field studies provide valuable enrichment to our curriculum but are a privilege, not a right.

**F. Special Education and Children with Special Needs**

Rainier Prep is dedicated to ensuring that every student has the skills and services necessary to excel in school. We work closely with families through the special education referral and evaluation process to coordinate special education services both in-house and with outside government agencies. If you have questions about your student's service or about special education in general, please contact Morgan Krieger, Dean of Students.

Students learn at different rates but some have significant difficulty in one or more of the following areas: social interaction, play, speech and language, vision, hearing, attention, behavior, or coordinating movement. Rainier Prep is here to help you access services to meet the unique learning needs of your student. If you have any questions or concerns, please call the school and request to speak with Morgan Krieger, Dean of Students.

**G. Requests for Specific Teachers or Peers**

Each year, we do our best to ensure that your student is placed in a classroom with teachers and other students that will provide the best possible learning experience. However, we do not accept nor accommodate requests for a specific teacher or for certain students to be placed in the same class.

**H. School Supplies**

Rainier Prep students carry a binder to and from their classes. This binder is an organizational tool that is leveraged daily. Therefore, at the beginning of the year, Rainier Prep will provide each student with a binder, a pencil pouch, and dividers to assist students in their organization. Items for families to purchase are noted below.

Rainier Prep School Supply List:

- Hand Sanitizer containing at least 60% alcohol
- 2 Face Masks
- Sharpened Pencils (at least 3 for the start of each day)*
- Earbuds (not over the ear headphones)
- Water bottle (labeled with student’s name)
- Hygiene Pack (see page 5 for more details)
- *Recommended: heavy duty, zipping binder

Only one binder will be provided by Rainier Prep. Families will be expected to replace any mishandled or worn binders throughout the year. Rainier Prep will also allow students to check out a Chromebook and charger for the school year; students are expected to bring these with them each morning to be ready to learn.

*5th Graders will only be using Number 2 style pencils (no pens and no mechanical pencils)
IV. FAMILY INVOLVEMENT

A. THE FAMILY-SCHOOL PARTNERSHIP

A strong family-school partnership is critical to a student’s success. We look forward to collaborating closely with you in your student’s pursuit of a pathway to college and lifetime of leadership.

B. COMMUNICATION

Communication is a two-way street at Rainier Prep!

As a school, we regularly communicate with you through phone calls, flyers, emails, recorded calls, text messages, and in-person meetings. Additionally, each Friday, your student receives the GUIDES flyer which highlights relevant school information (this flyer is emailed to families as well). Your student’s Advisor is your primary source of information regarding your student, so please save their contact information.

Families may also check their students’ grades at any time during the school year by logging in to the Synergy Parent Portal (https://wa-rai.edupoint.com/PXP2_Login Parent.aspx). Most parents set up a portal account during the enrollment process. However, if you are logging-in for the first time, you will need to create an account using a special access code provided by your student’s advisor or the Main Office. If you have already created an account, login using your email and password.

All families have the right to information about their child’s education in a language they understand. If at any time you would like an interpreter or a document translated into your language please contact Ms. Kowsar at 206-494-5979 x705 or khassan@rainierprep.org. We like to hear from you too! Call or email your student’s teacher or advisor, the Main Office, or any staff member. If we do not pick up the phone, please leave a message and we will return your call within 24 business hours.

Please make sure the Main Office and your student’s advisor have the most up-to-date contact information for yourself and at least one other emergency contact.

If you have any questions or concerns, please contact the school at 206-494-5979 x0 or mainoffice@rainierprep.org. If the school cannot address your concerns, you may follow the formal Complaint Policy, which is available upon request in the Main Office.

C. STUDENT LED-CONFERENCES

Rainier Prep student advisors meet with students and their families three times during the school year: August Family Meetings, Fall Student-Led Conferences, and Spring Student-Led Conferences. Rainier Prep staff will communicate with you at least three weeks before to schedule a specific time for your family’s meeting. Please prioritize these meetings, as they help us to better know and support your student during the school year.

D. CLASSROOM OBSERVATIONS

If you would like to observe your student’s classroom, please speak to your student’s teacher or advisor at least one day before to ensure there is no conflict with a field study or other scheduled event. Observations should be no more than two hours and should not occur during the first four weeks of school while students are getting accustomed to their classroom and routines. For safety reasons, always check in with the Main Office before going to the classroom or playground.

E. GETTING INVOLVED

Rainier Prep Community Advisory Board: The Advisory Board consists of parents, family members, students, and
school staff. They meet on a quarterly basis and support our school with special events and family programming.

Volunteers: We welcome and invite family and community participation in our school! To become a volunteer, fill out the appropriate form in the Main Office. Volunteers who are expected to have unsupervised contact with students will be required to undergo a background check. Please consider sharing your knowledge and skills with our school.

F. FAMILY FUNDRAISING

Family fundraising is not encouraged as we want families' time and energy focused on the academic success and well-being of their student. If a person or group wants to fundraise, they will need to obtain prior permission from the School Leader.

G. TUTORING

Our teachers cannot receive additional compensation for working with Rainier Prep students. Your student’s teacher will provide additional support during school hours to ensure that your student is making progress. For this reason, we ask you not to ask your student’s teacher for additional paid tutoring outside of school.

V. SCHOOL DAY INFORMATION

A. ATTENDANCE

We are committed to ensuring that all students come to school on time and every day for the entire day. If for some reason your student will be absent/late to school, you must call or email the Main Office by 8:45AM.

Students who miss many school days are likely to fall behind their classmates both academically and socially. Be aware that school attendance is mandatory, and truancy is subject to Washington State laws including truancy petitions with the juvenile court. A student is considered truant if they miss 5 or more unexcused days in a month or 10 or more unexcused days in a year. Any absence from school is unexcused unless it meets one of the criteria provided by the Washington Administrative Code 392-401-020, including:

- Illness, health condition, or medical appointment. A doctor's note will be required if a student is absent for 3 or more days due to an illness.
- Family emergency including, but not limited to, a death or illness in the family;
- Religious or cultural purpose including observance of a religious or cultural holiday
- Absence related to the student’s homeless or foster care dependency status

If your student is ill with a contagious illness or has the following symptoms or ailments, please keep him/her home and seek a doctor's care:

- Fever of 99.5 degrees or higher
- Flu or sickness involving vomiting or diarrhea
- Pinkeye (Conjunctivitis): eye infection; causes redness, swelling, discharge
- Ringworm: fungal infection affecting any part of the skin
- Covid-19 symptoms (not caused by another known medical condition)
  - Cough
  - Shortness of breath or difficulty breathing
  - Fever
  - Chills
  - Muscle pain
  - Sore throat
  - New loss of taste or smell
Other less common symptoms include nausea, vomiting, or diarrhea. If school personnel believe your student has any of the conditions mentioned above, your student may be sent home to reduce the chance of spreading/infecting others. Please keep your student home until their flu symptoms or fever have been gone for 12 hours. Your student may return to school if he/she provides documentation from a doctor stating that pinkeye is no longer contagious/spreadable or that treatment has started for ringworm. If you or your student has been exposed to Covid-19 please notify our main office immediately so that we can implement the appropriate contact tracing, isolation, and quarantine procedures under the direction of our local public health authority.

Per Washington State Health Guidelines and recent findings in the Health Field, the issues noted below should not prevent a child from attending school. However, if your student or household is experiencing any of the following, please alert your student’s advisor and the main office. We will respect your student’s privacy, while reducing exposure to others.

- Lice: tiny insects that live on the scalp or in a person’s clothing
- Bed bugs: tiny insects that are reddish-brown, flat, and oval that live in clothing and furniture

If your student is regularly absent from or late to school, we will expect you to meet with us to discuss strategies to improve your student’s attendance.

Family vacation should be planned around school breaks and will be considered unexcused absences.

If a student misses 20 consecutive days, the student will be automatically unenrolled. The family is welcome to reapply, but may be placed on the waiting list.

**B. ARRIVAL AND DISMISSAL**

Students will be considered on time if they are sitting *in their assigned seat* in their advisory classroom by 8:40 AM. Additionally, to be marked present in all other periods, students must be in their assigned seat when the bell finishes ringing.
Anyone picking up a student (including parents) must be on the Pick-Up List. To add/remove people to/from this list, the legal guardian must contact the Main Office or the student’s advisor at least 24 hours before this authorized adult will pick up your student.

All dismissal arrangements should be finalized with your student(s) prior to the start of the school day. Additionally, students and families should try to maintain a consistent dismissal plan to reduce mistakes and ensure students arrive home safely.

**C. SCHOOL CLOSURES**

We very rarely close school. Always assume that our school is open even if Highline Schools are not. If we decide to close/delay the opening of school, you will receive an email and recorded call, and we will change our Main Office voicemail message.

**D. BUS TRANSPORTATION**

Rainier Prep provides bus services for students living within Highline Public Schools through a contract with Harlow’s Bus Company. Bus routes do not go to individual homes but rather to a central location where a number of students can be picked up and dropped off. Please check with the Main Office or rainierprep.org for the most updated list of bus routes.

As soon as we are notified of bus delays, Rainier Prep sends out text messages to all families who have joined the service. As soon as you know your students route, please join this service by texting 84483 with your student’s route in the text field (ex. Route1, Route2, Route3, or Route4). Please call Harlow’s Dispatch in unusual cases at 253-939-7700.

All students should be at their designated stop 5 minutes prior to the scheduled departure. Students are expected to be respectful and follow all school rules while waiting for the bus, riding the bus, and returning home.

Riding the bus is a privilege not a right, and misbehavior may lead to revoked bus privilege or other consequences, including phone calls home, parent meetings, student removal from bus (1 day to 2+ weeks), and community service. In order to keep everyone safe, we have specific bus expectations that students are required to follow. While on the bus, students should remain seated in their assigned seat, out of the aisle, facing forward, and speaking at a Level 2 (partner) voice.
E. SCHOOL FOOD

Rainier Prep offers nutritious and well-balanced breakfast and lunch during the school day through Fresh-n-Local Foods. Meals to accommodate dietary restrictions can also be provided. All students are welcome to participate in the school meal program.

Families, who may be eligible, can apply for free or reduced price meals for their student(s). Applications for free and reduced meal benefits are available at the Main Office and on our website at https://www.rainierprep.org/schoolfood/. You may also fill out the application online at https://www.rainierprep.org/mealapp/. Please complete the 2020-2021 Application for Free and Reduced-Price Meals. Applications may be submitted via:

- Mail: 10211 12th Ave S, Seattle, WA 98168
- Email: mainoffice@rainierprep.org
- In-person, By Appointment, Call 206-494-5979

For those who pay for full or reduced priced meals, you can fill your student’s meal account by visiting www.mymealtime.com. Monthly reminders will be sent home to ensure that your student’s account does not run out of funds.

Meal Prices

- Breakfast
  - Full Price: $1.66
  - Reduced Price: $0.00
- Lunch
  - Full Price: $4.00
  - Reduced Price: $0.40

To ensure that we always order enough for our students who eat school provided meals, we ask that families commit to purchasing lunch for a full month at a time. For meals that accommodate dietary needs, we ask that families make a yearly commitment. School menus will be made available through the Guides Flyer as well as our website.

For more information about school food or pricing, please contact the Main Office.

F. SCHOOL DAY POLICIES

Nut Policy: The school is nut-aware. This means that all foods should be free of peanuts to accommodate our students with severe peanut allergies.

Junk Food Policy: We offer nutritious breakfasts and lunches. If you choose to send food to school with your student, please send healthy items like fresh fruits, vegetables, juice boxes that contain 100% juice, sandwiches, whole wheat crackers, etc. If students bring junk food to school (examples include: cookies, cupcakes, candies, sugary drinks, etc.) or items with artificial flavors, coloring, or ingredients, we will either throw it out or send it home. Chips that are all natural such as corn tortilla chips or baked chips are allowed. Our focus is to encourage healthy eating habits realizing that food affects our brains and ability to learn.

Birthday Celebration Policy: While we love celebrating student’s individualism and academic achievements, we do not celebrate student birthdays through in-school birthday celebrations. Please do not bring special treats to the school for your student’s birthday.
Lost & Found: The Lost & Found is located in the Main Office. Items left in the Lost & Found will be donated at the school’s discretion after a certain period of time. Please label all your child’s items to make it easier to return to them if they are lost.

Anti-Harassment, Anti-Intimidation, Anti-Bullying, and Anti-Discrimination Policy: Harassment, intimidation, bullying, and discrimination are unacceptable and will not be tolerated. Please ensure that you and your student read and understand the Student Anti-Harassment, Anti-Intimidation, and Anti-Bullying Policy (see Appendix B). This policy sets forth guidelines for preventing, reporting, and responding to potential acts of harassment, intimidation, and bullying.

Technology and Social Media Acceptable Use Policy: Please ensure that you and your student read and understand the Technology and Social Media Acceptable Use Policy (see Appendix C). This policy sets forth guidelines and rules for your student’s use of computers, the Internet, and other school technological resources.

Electronics at School: Cell phones, smart watches, and other electronics should remain off and stored in the student’s backpack during school hours unless directed by school staff. The school is not responsible for lost or stolen cell phones or other personal technology that students elect to bring to school. If students have cell phones or smart devices (including watches) out during the school day, they will be confiscated and given back to the parent/guardian directly. School staff will not investigate student’s lost or stolen electronics.

G. COVID-19 SAFETY PROTOCOLS

Our goal, as we continue to navigate the COVID-19 pandemic, is to make sure all families and students are as safe as possible while providing meaningful learning through a community that redefines and reimagines what school looks like. Rainier Prep will continue to follow OSPI, Washington Department of Health, Seattle & King County Public Health, and CDC guidance. Given the guidance at the time of the publishing of this handbook, below are safety protocols Rainier Prep will follow. The protocols below are subject to change as we receive updated public health guidance.

| Face Coverings Expectations & Procedures | All students, staff, volunteers, and guests, regardless of vaccination status, must wear face coverings upon arrival to Rainier Prep. This includes: ● Before boarding the school bus ● Before departing a personal vehicle ● Before entering the school building ● During the school day (inside and outside) 

While eating or taking a mask break, we will maintain six foot distancing, per current CDC Guidelines. |
| Physical Distancing | Rainier Prep students will maintain physical distance of three feet or more between students in classroom settings to the degree possible and reasonable that allows for full-time, in-person learning for all students. 

While eating or taking a mask break, we will maintain six foot distancing. |
| Frequent | Students / Staff will wash their hands or use hand sanitizer containing at least 60% alcohol: |

14
| Hand Washing Expectations & Procedures | ● Upon arrival to the building (hand sanitizer station at each entry)  
● After using the restroom (posters with handwashing guidance will be displayed)  
  ○ Hand Sanitizer upon entering classroom after restroom use  
● Before eating or preparing food  
● Before using copy machine, microwave, laminator, etc.  
● After touching an item someone else has touched  

According to the CDC, hand washing is especially important:  
● Before touching your face  
● After leaving a public place  
● After blowing your nose, coughing, or sneezing  
● After handling your cloth face covering  
● After changing a diaper  
● After caring for someone sick  
● After touching animals or pets  

Instructions for using hand sanitizer: Cover all surfaces of your hands and rub them together until they feel dry. Avoid touching your eyes, nose, and mouth with unwashed hands  

| Contact Tracing, Quarantine, & Isolation | If a staff or student shows symptoms of Covid-19 (not caused by another condition) during the school/work day, the staff or student will be immediately isolated from others and sent home and referred to diagnostic testing as soon as feasible.  

Any staff, student or family member who learns of potential exposure will immediately notify covid19@rainierprep.org. The appointed staff member will follow Rainier Prep's Positive Covid Case Action Plan.  

If Rainier Prep learns that your student was exposed (in close contact) with someone who has tested positive for Covid-19 while at school, your family will be notified through a personal or automated phone call.  

Fully vaccinated students and staff who do not have symptoms do not have to quarantine when exposed to Covid-19. In case of exposure, Rainier Prep may ask for documentation verifying your student’s Covid-19 vaccination status. |

## VI. REQUIRED DOCUMENTATION

Several forms are required upon admission to Rainier Prep, some forms are required annually thereafter, and one form is required if you withdraw. The following is a summary of the forms that must be submitted to the school’s Main Office upon acceptance to Rainier Prep. They will remain in your student’s file and are confidential. Blank copies are available upon request in the Main Office.

### A. HEALTH FORMS

Immunization Records: Based on your student’s age, there are certain immunizations your student must receive to attend school (please see table below from the Washington State Department of Health). Your doctor records the immunization information on your student’s Certificate of Immunization Status and a copy of this record is required upon admission to Rainier Prep. Any time he or she receives additional immunizations, please provide
an updated copy. If your student’s immunizations are not up-to-date, your student may not attend school. Please note, 1 dose Tdap is required on or after a student’s 11 birthday.

This form also includes information typically gathered by the Federal government through other documents such as the Ethnic Identification Form, Home Language Questionnaire, etc.

VII. DISCIPLINE

Rainier Prep is an institution of learning. We expect all community members to be respectful, embrace our GUIDES values, and create a safe, orderly space for learning and growth. Preparing our students to excel in a four-year college and to be leaders in their community is no simple feat and every moment is valued. Therefore, we cannot allow one child to disrupt the learning environment for all. In order to establish and maintain a school culture that promotes learning and respect for others, we have established the Code of Conduct, which contains a list of possible infractions and consequences.

Please keep in mind that the list of unacceptable conduct and consequences is not exhaustive. Rainier Prep can supplement this Code of Conduct with additional rules as appropriate. In addition, violations of the Code of Conduct and resulting consequences are subject to the discretion of the school and may be supplemented and/or adjusted accordingly. A student’s prior conduct and his/her disciplinary history may be factors in determining the appropriate consequence for an infraction.

The Code of Conduct will be enforced at all times. Students must adhere to the Code of Conduct when at school, on school grounds, participating in a school-sponsored activity, and walking to or from, waiting for, riding the school bus, or riding on public transportation to or from school or a school-sponsored activity. Serious misconduct outside of the school—including electronic activities—can be considered a school disciplinary offense when the misconduct or the student’s continued presence at the school has or would have a significant detrimental effect on the school and/or has created or would create a risk of substantial disruption to the work of the school.
A. VIOLENCE AND AGGRESSION

We must ensure that our students are safe at all times in our schools. Rainier Prep does not tolerate aggressive or violent conduct that puts the safety of our students, staff, or community in jeopardy.

B. CONSEQUENCES

Loss of Privileges
If a student performs below expectations, fails to submit required work, violates the Code of Conduct, or generally fails to maintain the standard of academic rigor expected of students, then the student’s participation in enrichment, recess, field studies, fine arts projects and performances, or other privileges may be temporarily revoked.

Reflection Room
At Rainier Prep, we believe in the power of restorative justice, positive discipline, and helping to empower students to resolve conflicts on their own or within a small group. Students who violate the Code of Conduct may be required to reflect on their behavior and, when applicable, make reparations. During Reflection Room, students will be able to talk through the incident with an adult and/or other students if necessary, in order to find a solution.

Parent Pick Up Required
In order to promote consistency and family communication, students who have had three or more disciplinary actions in one day or who have been assigned Reflection Room for two separate instances will be asked to stay after school and wait for a parent to pick them up. We will ask the family to stay for a brief meeting with a Rainier Prep staff member to ensure success for the following day. Additionally, students who earn Reflection Room three or more times in a week, will be required to have a family meeting in order to work together to create an action plan for what they need to feel more successful at school.

In-School Suspension
A student who repeatedly violates the Code of Conduct or compromises the safety of others may receive an in-school suspension. During an in-school suspension, a student will be required to complete academic coursework separate from their classmates and will be given access to both academic and behavioral support. In the case of In School Suspension, a parent pick-up and meeting is required. If your student is suspended, a member of the school staff will call to inform you and will provide you with the appropriate paperwork.

Out-of-School Suspension and Expulsion
A student who repeatedly and/or seriously violates the Code of Conduct and/or compromises the safety of others may be suspended. A short-term suspension refers to the removal of a student from the school for disciplinary reasons for a period of ten days or fewer. A long-term suspension refers to the removal of a student for disciplinary reasons for a period of more than ten days. Expulsion refers to the permanent removal of student from school for disciplinary reasons. If your student is suspended, a member of the school staff will call to inform you and provide you with the correct paperwork. You will make arrangements with the school for your student to complete missed assignments.

Academic Dishonesty
At Rainier Prep, we value academic integrity and expect students to be completing their own work to the best of their ability at all times. Violations of the academic integrity policy will result in the following consequences:

**Misuse of Rainier Prep Technology**

Technology is an important part of Rainier Prep’s school model and a great learning tool. Students will use technology to research projects, watch educational videos, build websites, take assessments, and so much more. As students move into a more connected world, they will need to build technology skills in order to be successful in their future schooling and careers. While using technology both in and outside of school, students should be safe, appropriate, and responsible when using technology in order to ensure that Rainier Prep is a community in which all students can thrive.

The use of technology at school is a privilege. If students are not following the Student Technology and Social Media Acceptable Use Policy outlined in Appendix C as well as the expectations for the assignment outlined by a teacher in class, the following consequences will apply:

RAINIER PREP STUDENT ANTI-HARASSMENT, ANTI-INTIMIDATION, ANTI-BULLYING, AND ANTI-DISCRIMINATION NOTIFICATIONS
All students should feel safe and welcome at school. We do not tolerate acts of harassment, intimidation, bullying, or discrimination. This includes behaviors that take place outside of school if they harm others or disrupt students' education. We are all responsible for stopping harassment, intimidation, bullying, and discrimination before and when they happen.

HARASSMENT, INTIMIDATION, BULLYING, AND DISCRIMINATION
In general, bullying:
● Is targeted and repeated;
● Involves a power imbalance;
● Creates a hostile environment; and
● Has substantial negative consequences.

Harassment, intimidation, bullying, and discrimination can be behaviors that are physical, verbal, social, written and/or electronic. Here are examples of harassing or bullying behaviors when targeted and repeated:

**Physical:** Hitting, kicking, pinching, pushing, or damaging/forcibly taking others’ property

**Verbal:** Name-calling, put-downs, making threats, teasing, or spreading hurtful rumors

**Social:** Deliberately harming another student’s friendships or relationships

**Written:** Slam books, graffiti, or texting that hurt or embarrass others

**Electronic:** Posting or sending messages, pictures, or emails that hurt or embarrass others

PREVENTING HARASSMENT, INTIMIDATION, BULLYING, AND DISCRIMINATION
Respect toward others is one of our most important principles. Always treat others as you would want to be treated. It is never okay to engage in conduct involving harassment, intimidation, or bullying. You are responsible for your own actions, even if everyone else is acting inappropriately. While you don’t have to be friends with every single student at school, you do have to be respectful at all times.

Sexual Harassment:
Students and staff are protected against sexual harassment by anyone in any school program or activity, including on the school campus, on the school bus, or off-campus during a school-sponsored activity.

_Sexual harassment is unwelcome behavior or communication that is sexual in nature when:_

● A student or employee is led to believe that he or she must submit to unwelcome sexual conduct or communications in order to gain something in return, such as a grade, a promotion, a place on a sports team, or any educational or employment decision, or

● The conduct substantially interferes with a student's educational performance, or creates an intimidating or hostile educational or employment environment.

**Examples of Sexual Harassment:**
- Pressuring a person for sexual favors
- Unwelcome touching of a sexual nature
- Writing graffiti of a sexual nature
- Distributing sexually explicit texts, e-mails, or pictures
- Making sexual jokes, rumors, or suggestive remarks
- Physical violence, including rape and sexual assault

**REPORTING HARASSMENT, INTIMIDATION, BULLYING, AND DISCRIMINATION**
Tell your teacher, an administrator, another adult (including a parent/guardian) or to the district's Title IX Officer listed above, right away if you believe you or someone else is being harassed, intimidated, bullied, or discriminated. Parents/guardians may also report these types of potential acts to teachers and administrators. Rainier Prep will investigate and put a stop to any harassment, intimidation, bullying, and discrimination. Reports may be made orally or in writing. For any additional questions, concerns, or information on Rainier Prep's policy and procedures, please contact Rainier Prep's Compliance Officer. You also have the right to file a complaint (see below). A copy of your district's sexual harassment policy and procedure is provided in Appendix D of the Student & Family Handbook available on Rainier Prep's website: [www.rainierprep.org](http://www.rainierprep.org).

**CONSEQUENCES**
Students will be disciplined for violating this policy up to and including suspension and expulsion.

**NO RETALIATION**
There will be no retaliation against anyone who, in good faith, reports or assists in the investigation of potential acts of harassment, intimidation, bullying, or discrimination.

**PROCESS FOR COMPLAINT TO RAINIER PREP SCHOOL DISTRICT**

**Step 1. Write Our Your Complaint**
In most cases, complaints must be filed within one year from the date of the incident or conduct that is the subject of the complaint. A complaint must be in writing. Be sure to describe the conduct or incident, explain why you believe discrimination, discriminatory harassment, or sexual harassment has taken place, and describe what actions you believe the district should take to resolve the problem. Send your written complaint—by mail, fax, email, or hand delivery—to the district superintendent or civil rights compliance coordinator.

**Step 2: School District Investigates Your Complaint**
Once the district receives your written complaint, the coordinator will give you a copy of the complaint procedure and make sure a prompt and thorough investigation takes place. The superintendent or designee will respond to you in writing within 30 calendar days—unless you agree on a different time period. If your complaint involves exceptional circumstances that demand a lengthier investigation, the district will notify you in writing to explain why staff need a time extension and the new date for their written response.

**Step 3: School District Responds to Your Complaint**
In its written response, the district will include a summary of the results of the investigation, a determination of whether or not the district failed to comply with civil rights laws, notification that you can appeal this determination, and any measures necessary to bring the district into compliance with civil rights laws. Corrective measures will be put into effect within 30 calendar days after this written response—unless you agree to a different time period.

**Appeal to the School District**
If you disagree with the school district's decision, you may appeal to the school district’s board of directors. You must file a notice of appeal in writing to the secretary of the school board within 10 calendar days after you received the school district’s response to your complaint. The school board will schedule a hearing within 20 calendar days after they received your appeal, unless you agree on a different timeline. The school board will send you a written decision within 30 calendar days after the district received your notice of appeal. The school board’s decision will include information about how to file a complaint with the Office of Superintendent of Public Instruction (OSPI).

**Complaint to OSPI**
If you do not agree with the school district’s appeal decision, state law provides the option to file a formal complaint with the Office of Superintendent of Public Instruction (OSPI). This is a separate complaint process that can take place if one of these two conditions has occurred: (1) you have completed the district’s complaint and appeal process, or (2) the district has not followed the complaint and appeal process correctly.

You have 20 calendar days to file a complaint to OSPI from the day you received the decision on your appeal. You can send your written complaint to the Equity and Civil Rights Office at OSPI:

APPENDIX C
RAINIER PREP
STUDENT TECHNOLOGY AND SOCIAL MEDIA ACCEPTABLE USE POLICY
Technology is an important part of Rainier Prep’s school model and a great learning tool. Students will use technology to research projects, watch educational videos, build websites, take assessments, and so much more. Students should be safe, appropriate, and responsible when using technology in order to ensure that Rainier Prep is a community in which all students can thrive.

If you violate this policy, you may lose technology privileges or be subject to other disciplinary consequences. Rainier Prep can monitor the use of its technology at any time. Rainier Prep may also use filtering software that blocks inappropriate content and/or websites.

By “technology” we mean computers, tablets, phones, mobile devices, the Internet, social media (which includes Facebook, Instagram, and others), blogs, email, chat rooms, and other online services.

This policy covers the use of ANY technology (not just technology owned by the school), including off-campus use, which could disrupt the school or students’ education and/or interfere with others’ rights. This policy is meant to be representative, and does NOT cover every single situation.

BE SAFE
- Never share information about yourself or pictures with strangers
- If you meet someone online, do not meet in person
- If someone sends you a message that makes you feel uncomfortable, tell your parents or a teacher right away

BE APPROPRIATE
- Be polite, kind, and respectful. It's okay to disagree with others' views, but do so respectfully
- Harassment, inappropriate language, intimidation, and bullying will not be tolerated. It is not acceptable to be mean, make fun of, embarrass, or pick on others. You also cannot curse or use other language online that you would not be able to use at school.
- Don’t post anything you wouldn’t want friends, parents, teachers, college admissions officers, or a future employer to see! (Even if you think your site is private, it’s probably not—people can view and share what
you post, now and far into the future.)

- Don’t “friend” your teachers or other Rainier Prep staff online
- Don’t view, send, or post messages or pictures that would be inappropriate for school, would harm another person, and/or would disrupt school
- Respect others’ privacy
- Don’t pretend you are someone else or use someone else’s identity online
- Do your own work. Don’t plagiarize (presenting others’ ideas or writings as your own)

**BE RESPONSIBLE**

- **YOU** are responsible for **YOUR** online conduct
- When using technology at school, follow the teacher’s instructions
- Don’t copy or download books, music, movies, pictures, or anything else without the owner’s permission.
- Don’t gamble or engage in illegal activity online.
- If you are unsure whether something violates this policy, ask your teacher
- If someone violates this policy, immediately report the violation to a teacher
- If you accidentally come across something inappropriate, notify school staff immediately
**APPENDIX D**

**RAINIER PREP**

**OTHER POLICIES**

**COMPLAINT POLICY**

Rainier Prep believes that if a citizen has a question, suggestion, or complaint, the citizen should first discuss this directly with the person involved as most complaints can be resolved informally. If the issue is not resolved, the citizen should bring it up with the appropriate administrator who shall attempt to resolve the issue through a conference with the citizen and the staff member. If the issue cannot be resolved in the manner described above, the citizen should complete the Request for Consideration of Complaint Form (available in the school office).

The school administrator or designee shall verbally explain the complaint process at the time Request for Consideration of Complaint Form is given to the citizen and inform the citizen of the right to have an advocate assist in representing the citizen’s position. The complaint shall:

A. Be in writing;
B. Be signed by the complaining parties, and
C. Set forth specific acts, conditions or circumstances of concern.

The School Leader/designee will conduct or coordinate an investigation of the complaint and reach a decision within twenty (20) school work days after receipt of the complaint. The decision of the School Leader/designee shall be communicated in writing to the parties involved.

Should a complaint be submitted with less than twenty (20) school work days remaining within the regularly scheduled school calendar, reasonable extension of this timeline shall be allotted as deemed necessary by the investigator. If the complaint is not resolved to the citizen’s satisfaction, the citizen may request, within five (5) school work days, the complaint be referred to the Director of the Board. The School Leader/designee shall refer the matter within five (5) school work days.

The parties involved in the complaint will have the opportunity to meet with the Director of the Board/designee within twenty (20) school work days after the Director of the Board or designee receives the Request for Consideration of Complaint Form. Such a request to meet with the Director of the Board or designee shall be made by the citizen within five (5) school work days from the time the citizen requested the referral. Such a request from the staff member shall be made within five (5) school work days from the time the staff member was notified of the complaint. The Director of the Board or designee shall also have the right to establish a review committee if desired, or directly make a decision. In cases of physical injury to a student, the complaint will be referred to a review committee established by the Director of the Board.

When a review committee is established, the committee shall be representative of the interests involved. The Director of the Board or designee will appoint the committee chairperson within ten (10) school work days after receiving the Request for Consideration of Complaint Form. The committee will review the citizen’s complaint and submit a written recommendation to the Director of the Board within twenty (20) school work days after the committee chairperson has been appointed.

The Director of the Board will make a decision and notify the citizen, in writing, within ten (10) school work days after:

A. Receiving the Form and the School Leader/designee’s decision; or
B. Meeting with the parties involved in the complaint; or
C. Receiving the written recommendation of the review committee.

The response of the Director of the Board shall clearly state either:

1. That the school district denies the allegations contained in the complaint; or
2. The nature of such reasonable corrective measures deemed necessary to eliminate any such act, condition or circumstance within the school district; PROVIDED that any such corrective measure deemed necessary shall be instituted as expeditiously as possible but in no event later than 30 calendar days following the date of the Director of the Board's response to the complaining party.

The Director of the Board or designee has full authority to resolve the complaint within the limits of Board policy and state and federal law.

REGULATION OF DANGEROUS WEAPONS ON SCHOOL PREMISES

It is a violation of Rainier Prep (the “District”) policy and state law for any person to carry a firearm or dangerous weapon on school premises, school-provided transportation or areas of other facilities being used exclusively for school activities unless specifically authorized by state law. Carrying a dangerous weapon onto school premises, school-provided transportation, or areas of other facilities being used exclusively for school activities in violation of RCW 9.41.280 is a criminal offense.

Rainier Prep will post “Gun-Free Zone” signs, and any and all violations of this policy and RCW 9.41.280 will be reported annually by the School Leader to the Superintendent of Public Instruction.

DANGEROUS WEAPONS

The term “dangerous weapons” under state law includes:

● Any firearm;
● Any device commonly known as “nun-chu-ka sticks,” consisting of two or more length of wood, metal, plastic, or similar substance connected with wire, rope, or other means;
● Any device, commonly known as “throwing stars,” which are multi-pointed, metal objects designed to embed upon impact from any aspect;
● Any air gun, including any air pistol or air rifle, designed to propel a BB, pellet, or other projectile by the discharge of compressed air, carbon dioxide, or other gas;
● Any portable device manufactured to function as a weapon and which is commonly known as a stun gun, including a projectile stun gun which projects wired probes that are attached to the device that emit an electrical charge designed to administer to a person or an animal an electric shock, charge, or impulse;
● Any device, object, or instrument which is used or intended to be used as a weapon with the intent to injure a person by an electric shock, charge, or impulse;
● The following instruments:
• Any dirk or dagger;
• Any knife with a blade longer than three inches;
• Any knife with a blade which is automatically released by a spring mechanism or other mechanical device
• Any knife having a blade which opens, or falls or is ejected into position by the force of gravity, or by outward, downward, or centrifugal thrust or movement; and
• Any razor with an unguarded blade;
  ● Any slung shot, sandbag, or sandclub;
  ● Metal knuckles;
  ● A sling shot;
  ● Any metal pipe or bar used or intended to be used as a club;
  ● Any explosive;
  ● Any weapon containing poisonous or injurious gas;
  ● Any implement or instrument which has the capacity to inflict death and from the manner in which it is used, is likely to produce or may easily and readily produce death.

In addition, the following are weapons in violation of this policy:
  ● Any knife or razor not listed above, except for instruments authorized or provided for specific school activities;
  ● Any object other than those listed above which is used in a manner to intimidate, threaten, or injure another person and is capable of easily and readily producing such injury.

REPORTING DANGEROUS WEAPONS
An appropriate school authority will promptly notify the student’s parents or guardians and the appropriate law enforcement agency of known or suspected violations of this policy.

Students who violate this policy will be subject to discipline. Students who have possessed a firearm on any school premises, school-provided transportation, or school-sponsored activities at any facility shall be expelled for not less than one year pursuant to RCW 28A.600.420. The School Leader may modify the one-year expulsion for a firearm on a case-by-case basis.

The District may also suspend or expel a student for up to one year if the student acts with malice (as defined under RCW 9A.04.110) and displays a device that appears to be a firearm.

No expulsion under RCW 28A.600.420 prevents the District from continuing to provide educational services in an alternative educational setting in compliance with RCW 28A.600.015. Any alternative setting should be comparable, equitable, and appropriate to the regular education services a student would have received without the exclusionary discipline. Example alternative settings include one-on-one tutoring and online learning.

EXCEPTIONS TO STATE LAW AND THIS POLICY
The following persons may carry firearms into school buildings, as necessary, although students engaged in these activities are restricted to the possession of rifles on school premises:

1. Persons engaged in military, law enforcement, or school district security activities;
2. Persons involved in a school authorized convention, showing, demonstration, lecture or firearm safety course; and
3. Any federal, state or local law enforcement officer.

The following persons over eighteen years of age and not enrolled as students may have firearms in their possession on school property outside of school buildings:

- Persons with concealed weapons permits issued pursuant to RCW 9.41.070 who are picking up or dropping off students; and
- Persons conducting legitimate business at the school and in lawful possession of a firearm or dangerous weapon if the weapon is secured within an attended vehicle, is unloaded and secured in a vehicle, or is concealed from view in a locked, unattended vehicle.

Persons may bring dangerous weapons, other than firearms, onto school premises if the weapons are lawfully within the person's possession and are to be used in a school-authorized martial arts class.

PERSONAL PROTECTION SPRAY

Persons over eighteen years of age, and persons between fourteen and eighteen years of age with written parental or guardian permission, may possess personal protection spray devices on school property. No one under eighteen years of age may deliver such devices. No one eighteen years or older may deliver a spray device to anyone under fourteen, or to anyone between fourteen and eighteen who does not have parental permission. Personal protection spray devices may not be used other than in self-defense as defined by state law.

Possession, transmission or use of personal protection spray devices under any other circumstances is a violation of District policy.

HOMELESS STUDENTS POLICY

HOMELESS STUDENTS - Enrollment Rights and Services
To the extent practical and as required by law, Rainier Prep will work with homeless students and their families to provide them with equal access to the same free, appropriate education (including public preschool education) provided to other students. Special attention will be given to ensuring the identification, enrollment, and attendance of homeless students not currently attending school, as well as mitigating educational barriers to their academic success. Additionally, Rainier Prep will take reasonable steps to ensure that homeless students are not stigmatized or segregated in a separate school or in a separate program within a school on the basis of their homeless status.

Rainier Prep will provide homeless students services for which they are eligible, including Title I, similar state programs, special education, bilingual education, vocational and technical education programs, gifted and talented programs and school nutrition programs.

Homeless students are defined as lacking a fixed, regular and adequate nighttime residence, including those students who are:
A. Sharing the housing of other persons due to loss of housing or economic hardship, or a similar reason;
B. Living in motels, hotels, trailer parks or camping grounds due to the lack of alternative adequate accommodations;
C. Living in emergency or transitional shelters;
D. Abandoned in hospitals;
E. Living in public or private places not designed for or ordinarily used as regular sleeping accommodation;
F. Living in cars, parks, public spaces, abandoned buildings, substandard housing, transportation stations or similar settings; or
G. Migratory children living in conditions described in the previous examples.

The school leader will designate an appropriate staff person to be Rainier Prep’s McKinney-Vento liaison for homeless students and their families. The liaison may simultaneously serve as a coordinator for other federal programs, provided that they are able to carry out the duties listed in the procedure that accompanies this policy. Rainier Prep’s homeless student liaison is responsible for training the building points of contact.

Best interest determination
In making a determination as to which school is in the homeless student’s best interest to attend, Rainier Prep will presume that it is in the student’s best interest to remain enrolled in their school of origin unless such enrollment is against the wishes of a parent, guardian or unaccompanied youth.

Attendance options will be made available to homeless families on the same terms as resident families of Rainier Prep, including attendance rights acquired by living in attendance areas, other student assignment policies, inter-district choice options.

If there is an enrollment dispute, the student will be immediately enrolled in the school in which enrollment is sought, pending resolution of the dispute. The parent or guardian will be informed of Rainier Prep’s decision and the reasons therefor, (or informed if the student does not qualify for McKinney-Vento, if applicable) and their appeal rights in writing and in a language they can understand. Rainier Prep’s liaison will carry out dispute resolution as provided by state policy.
Unaccompanied youth will also be enrolled pending resolution of the dispute.

Once the enrollment decision is made, the school will immediately enroll the student, pursuant to Rainier Prep’s policies. However, enrollment may not be denied or delayed due to the lack of any document normally required for enrollment, including academic records, medical records, proof of residency, mailing address or other documentation, or denied or delayed due to missed application deadlines or fees, fines or absences at a previous school.

If the student does not have immediate access to immunization records, the student will be admitted under a personal exception. Students and families should be encouraged to obtain current immunization records or immunizations as soon as possible, and Rainier Prep liaison is directed to assist. Records from the student’s previous school will be requested from the previous school pursuant to Rainier Prep’s policies. Emergency contact information is required at the time of enrollment consistent with Rainier Prep’s policies, and in compliance with the state’s Address Confidentiality Program when necessary. However, Rainier Prep cannot demand emergency contact information in a form or manner that creates a barrier to enrollment and/or attendance at school.

Homeless students are entitled to transportation to their school of origin or the school where they are to be enrolled. If the school of origin is in a different district, or a homeless student is living in another district but
will attend his or her school of origin in this district, Rainier Prep's will coordinate the transportation services necessary for the student, or will divide the costs equally.

Rainier Prep’s liaison for homeless students and their families will coordinate with local social service agencies that provide services to homeless children and youths and their families; other school districts on issues of transportation and records transfers; and state and local housing agencies responsible for comprehensive housing affordability strategies. This coordination includes providing public notice of the educational rights of homeless students where such children and youth receive services under the McKinney-Vento Act, such as schools, family shelters and soup kitchens. The notice must be disseminated in a manner and form that parents, guardians and unaccompanied youth receiving such services can understand, including, if necessary and to the extent feasible, in their native language. Rainier Prep’s liaison will also review and recommend amendments to Rainier Prep’s policies that may act as barriers to the enrollment of homeless students and will participate in professional development and other technical assistance activities, as determined by the state-level (OSPI) coordinator for homeless children and youth programs.

The school leader will:

D. Strongly encourage Rainier Prep staff, including substitute and regular bus drivers to annually review the video posted on the OSPI website on identification of student homelessness;
E. Strongly encourage every Rainier Prep’s homeless student liaison to attend trainings provided by the state on identification and serving homeless youth. Ensure that Rainier Prep includes in materials provided to all students at the beginning of the school year or at enrollment, information about services and support for homeless students (i.e., the brochure posted on the OSPI website).
F. Use a variety of communications each year to notify students and families about services and support available to them if they experience homelessness (e.g., distributing and collecting a universal annual housing intake survey, providing parent brochures directly to students and families, announcing the information at school-wide assemblies, posting information on Rainier Prep’s website).

Facilitating on-time grade level progression
Rainier Prep will: 1) waive specific courses required for graduation for students experiencing homelessness if similar coursework has been satisfactorily completed in another school district; or 2) provide reasonable justification for denial of the waiver. In the event Rainier Prep denies a waiver and the student would have qualified to graduate from their sending school district, Rainier Prep will provide an alternative process of obtaining required coursework so that the student may graduate on time.

Rainier Prep will consolidate partial credit, unresolved, or incomplete coursework and will provide students experiencing homelessness with opportunities to accrue credit in a manner that eliminates academic and nonacademic barriers for the student.

Informed consent for healthcare
Informed consent for healthcare of behalf of a student experiencing homelessness may be obtained from a school nurse, school counselor, or homeless student liaison when:

a. Consent is necessary for non-emergency, outpatient, primary care services, including physical examinations, vision examinations and eyeglasses, dental examinations, hearing examinations and hearing aids, immunizations, treatments for illnesses and conditions, and routine follow-up care customarily provided by a health care provider in an outpatient setting, excluding elective surgeries;
b. The student meets the definition of a “homeless child or youth” under the federal McKinney-Vento homeless education assistance improvements act of 2001; and

c. The student is not under the supervision or control of a parent, custodian, or legal guardian, and is not in the care and custody of the department of social and health services.

Rainier Prep and the Rainier Prep employee authorized to consent to care under this policy are not subject to administrative sanctions or civil damages resulting from the consent or non-consent for care or payment for care.

Nondiscrimination Policy

All students should feel safe and welcome at school. We do not tolerate acts of harassment, intimidation, bullying, or discrimination. This includes behaviors that take place outside of school if they harm others or disrupt students’ education.

We are all responsible for stopping harassment, intimidation, bullying, and discrimination before and when they happen.

HARASSMENT, INTIMIDATION, BULLYING, AND DISCRIMINATION

In general, bullying:

- Is targeted and repeated;
- involves a power imbalance;
- creates a hostile environment; and
- has substantial negative consequences.

Harassment, intimidation, bullying, and discrimination can be behaviors that are physical, verbal, social, written and/or electronic. Here are examples of harassing or bullying behaviors when targeted and repeated:

- Physical: Hitting, kicking, pinching, pushing, or damaging/forcibly taking others’ property
- Verbal: Name-calling, put-downs, making threats, teasing, or spreading harmful rumors
- Social: Deliberately harming another student’s friendships or relationships
- Written: Slam books, graffiti, or texting that hurt or embarrass others
- Electronic: Posting or sending messages, pictures, or emails that hurt or embarrass others

PREVENTING HARASSMENT, INTIMIDATION, BULLYING, AND DISCRIMINATION

Respect toward others is one of our most important principles. Always treat others as you would want to be treated. It is never acceptable to engage in conduct involving harassment, intimidation, or bullying.

You are responsible for your own actions, even if everyone else is acting inappropriately. While you don’t have to be friends with every single student at school, you do have to be respectful at all times.
REPORTING HARASSMENT, INTIMIDATION, BULLYING, AND DISCRIMINATION

Tell your teacher, an administrator, or another adult (including a parent/guardian) right away if you believe you or someone else is being harassed, intimidated, bullied, or discriminated against. Parents/guardians may also report these types of potential acts to teachers and administrators. Rainier Prep will investigate and put a stop to any harassment, intimidation, bullying, and discrimination. Reports may be made orally or in writing. For any additional questions, concerns, or information on Rainier Prep’s policy and procedures, please contact Rainier Prep’s Director of Operations.

CONSEQUENCES
Students will be disciplined for violating this policy up to and including suspension and expulsion.

NO RETALIATION
There will be no retaliation against anyone who, in good faith, reports or assists in the investigation of potential acts of harassment, intimidation, bullying, or discrimination. Rainier Prep believes that if a community member has a question, suggestion, or complaint, the community member should first discuss this directly with the person involved as most complaints can be resolved informally. If the issue is not resolved, the community member should bring it up with the appropriate administrator who shall attempt to resolve the issue through a conference with the community member and the staff member. If the issue cannot be resolved in the manner described above, the community member should complete the Request for Consideration of Complaint Form (available in the school office).

COMPLAINT PROCEDURE
The School Leader or a designee shall verbally explain the complaint process at the time Request for Consideration of Complaint Form is given to the community member and inform the community member of the right to have an advocate assist in representing the community member’s position. The complaint shall:

1. Be in writing;
2. Be signed by the complaining parties, and
3. Set forth specific acts, conditions or circumstances of concern.

The School Leader or designee will conduct or coordinate an investigation of the complaint and reach a decision within twenty (20) school work days after receipt of the complaint. The decision of the School Leader or designee shall be communicated in writing to the parties involved.

- Should a complaint be submitted with less than twenty (20) school work days remaining within the regularly scheduled school calendar, reasonable extension of this timeline shall be allotted as deemed necessary by the investigator.

If the complaint is not resolved to the community member’s satisfaction, the community member may request, within five (5) school work days, the complaint be referred to the Director of the Board. The School Leader or a designee shall refer the matter within five (5) school work days.
The parties involved in the complaint will have the opportunity to meet with the Director of the Board or a designee within twenty (20) school work days after the Director of the Board or designee receives the Request for Consideration of Complaint Form. Such a request to meet with the Director of the Board or designee shall be made by the community member within five (5) school work days from the time the community member requested the referral. Such a request from the staff member shall be made within five (5) school work days from the time the staff member was notified of the complaint. The Director of the Board or designee shall also have the right to establish a review committee if desired, or directly make a decision. In cases of physical injury to a student, the complaint will be referred to a review committee established by the Director of the Board.

When a review committee is established, the committee shall be representative of the interests involved. The Director of the Board or designee will appoint the committee chairperson within ten (10) school work days after receiving the Request for Consideration of Complaint Form. The committee will review the community member’s complaint and submit a written recommendation to the Director of the Board within twenty (20) school work days after the committee chairperson has been appointed.

The Director of the Board will make a decision and notify the community member, in writing, within ten (10) school work days after:
1. Receiving the Form and the School Leader or designee’s decision; or
2. Meeting with the parties involved in the complaint; or
3. Receiving the written recommendation of the review committee.

The response of the Director of the Board shall clearly state either:
1. That the school district denies the allegations contained in the complaint; or
2. The nature of such reasonable corrective measures deemed necessary to eliminate any such act, condition or circumstance within the school district; PROVIDED that any such corrective measure deemed necessary shall be instituted as expeditiously as possible but in no event later than 30 calendar days following the date of the Director of the Board’s response to the complaining party. The Director of the Board or designee has full authority to resolve the complaint within the limits of Board policy and state and federal law.

**STUDENT NONDISCRIMINATION PROCEDURE**

Anyone may file a complaint against Rainier Prep alleging that Rainier Prep has violated anti-discrimination laws. This complaint procedure is designed to assure that the resolution of real or alleged violations are directed toward a just solution that is satisfactory to the complainant, the administration and the Rainier Prep Board of Directors. This grievance procedure will apply to the general conditions of the nondiscrimination policy (Policy 3210). As used in this procedure:

A. Grievance means a complaint which has been filed by a complainant relating to alleged violations of any state or federal anti-discrimination laws.
B. Complaint means a written charge alleging specific acts, conditions or circumstances, which are in violation of the anti-discrimination laws. The time period for filing a complaint is one year from the date of the occurrence that is the subject matter of the complaint. However, a complaint filing deadline may not be imposed if the complainant was prevented from filing due to: 1) Specific misrepresentations by Rainier Prep that it had resolved the problem forming the basis of the complaint; or 2) Withholding of information that Rainier Prep was required to provide under WAC 392-190-065 or WAC 392-190-005. Complaints may be submitted by mail, fax, e-mail or hand-delivery to any district, school or to Rainier Prep compliance officer responsible for investigating discrimination complaints. Any district employee who receives a complaint that meets these criteria will promptly notify the compliance officer.

C. Respondent means the person alleged to be responsible or who may be responsible for the violation alleged in the complaint.

The primary purpose of this procedure is to secure an equitable solution to a justifiable complaint. To this end, specific steps will be taken. Rainier Prep is prohibited by law from intimidating, threatening, coercing or discriminating against any individual for the purpose of interfering with their right to file a grievance under this policy and procedure and from retaliating against an individual for filing such a grievance.

A. Informal Process for Resolution
Anyone with an allegation of discrimination may request an informal meeting with the Director of Operations or designated employee to resolve their concerns. Such a meeting will be at the option of the complainant. If unable to resolve the issue at this meeting, the complainant may submit a written complaint to the Director of Operations or appropriate compliance officer. During the course of the informal process, Rainier Prep must notify the complainant of their right to file a formal complaint.

B. Formal Process for Resolution
Level One: Complaint to District
The complaint must set forth the specific acts, conditions or circumstances alleged to be in violation. Upon receipt of a complaint, the compliance officer will provide the complainant a copy of this procedure. The compliance officer will investigate the allegations within 30 calendar days. Rainier Prep and complainant may agree to resolve the complaint in lieu of an investigation. The officer shall provide the School Leader with a full written report of the complaint and the results of the investigation.

The School Leader or designee will respond to the complainant with a written decision as expeditiously as possible, but in no event later than 30 calendar days following receipt of the written complaint, unless otherwise agreed to by the complainant or if exceptional circumstances related to the complaint require an extension of the time limit.
In the event an extension is needed, Rainier Prep will notify the complainant in writing of the reason for the extension and the anticipated response date. At the time Rainier Prep responds to the complainant, Rainier Prep must send a copy of the response to the office of the School Leader of public instruction.

The decision of the School Leader or designee will include: 1) a summary of the results of the investigation; 2) whether Rainier Prep has failed to comply with anti-discrimination laws; 3) if non-compliance is found, corrective measures Rainier Prep deems necessary to correct it; and 4) notice of the complainant’s right to appeal to the school board and the necessary filing information. The School Leader’s or designee’s response will be provided in a language the complainant can
understand and may require language assistance for complainants with limited English proficiency in accordance with Title VI of the Civil Rights Act of 1964.

Any corrective measures deemed necessary shall be instituted as expeditiously as possible, but in no event later than 30 calendar days following the School Leader's mailing of a written response to the complaining party unless otherwise agreed to by the complainant.

Level Two – Appeal to the Board of Directors
If a complainant disagrees with the School Leader's or designee's written decision, the complainant may appeal the decision to Rainier Prep board of directors by filing a written notice of appeal with the secretary of the board within ten (10) calendar days following the date upon which the complainant received the response.

The board shall schedule a hearing to commence by the twentieth (20th) calendar day following the filing of the written notice of appeal, unless otherwise agreed to by the complainant and the School Leader or for good cause. Both parties shall be allowed to present such witnesses and testimony as the board deems relevant and material. Unless otherwise agreed to by the complainant, the board will render a written decision within thirty (30) calendar days following the filing of the notice of appeal and provide the complainant with a copy of the decision. The decision of the board will be provided in a language the complainant can understand, which may require language assistance for complainants with limited English proficiency in accordance with Title VI of the Civil Rights Act. The decision will include notice of the complainant's right to appeal to the Superintendent of Public Instruction and will identify where and to whom the appeal must be filed. Rainier Prep will send a copy of the appeal decision to the office of the superintendent of public instruction.

Level Three - Complaint to the Superintendent of Public Instruction
If a complainant disagrees with the decision of the board of directors, or if Rainier Prep fails to comply with this procedure, the complainant may file a complaint with the superintendent of public instruction.

1. A complaint must be received by the Superintendent of Public Instruction on or before the twentieth (20) calendar day following the date upon which the complainant received written notice of the board of directors’ decision, unless the Superintendent of Public Instruction grants an extension for good cause. Complaints may be submitted by mail, fax, electronic mail, or hand delivery.

2. A complaint must be in writing and include: 1) A description of the specific acts, conditions or circumstances alleged to violate applicable anti-discrimination laws; 2) The name and contact information, including address, of the complainant; 3) The name and address of Rainier Prep subject to the complaint; 4) A copy of Rainier Prep's complaint and appeal decision, if any; and 5) A proposed resolution of the complaint or relief requested. If the allegations regard a specific student, the complaint must also include the name and address of the student, or in the case of a homeless child or youth, contact information.

3. Upon receipt of a complaint, the Office of the Superintendent of Public Instruction may initiate an investigation, which may include conducting an independent on-site review. OSPI may also investigate additional issues related to the complaint that were not included in the initial complaint or appeal to the School Leader or board. Following the investigation, OSPI will make an independent determination as to whether Rainier Prep has failed to comply with RCW 28A.642.010 or Chapter 392-190, WAC and will issue a written decision to the complainant and Rainier Prep that addresses each allegation in the complaint and any
other noncompliance issues it has identified. The written decision will include corrective actions deemed necessary to correct noncompliance and documentation Rainier Prep must provide to demonstrate that corrective action has been completed.

All corrective actions must be completed within the timelines established by OSPI in the written decision unless OSPI grants an extension. If timely compliance is not achieved,

OSPI may take action including but not limited to referring Rainier Prep to appropriate state or federal agencies empowered to order compliance.

A complaint may be resolved at any time when, before the completion of the investigation, Rainier Prep voluntarily agrees to resolve the complaint. OSPI may provide technical assistance and dispute resolution methods to resolve a complaint.

Level Four - Administrative Hearing
A complainant or school district that desires to appeal the written decision of the Office of the Superintendent of Public Instruction may file a written notice of appeal with OSPI within thirty (30) calendar days following the date of receipt of that office’s written decision. OSPI will conduct a formal administrative hearing in conformance with the Administrative Procedures Act, Chapter 34.05, RCW.

Mediation
At any time during the discrimination complaint procedure set forth in WAC 392-190-065 through 392-190-075, a district may, at its own expense, offer mediation. The complainant and Rainier Prep may agree to extend the discrimination complaint process deadlines in order to pursue mediation.

The purpose of mediation is to provide both the complainant and Rainier Prep an opportunity to resolve disputes and reach a mutually acceptable agreement through the use of an impartial mediator. Mediation must be voluntary and requires the mutual agreement of both parties. It may be terminated by either party at any time during the mediation process. It may not be used to deny or delay a complainant’s right to utilize the complaint procedures.

Mediation must be conducted by a qualified and impartial mediator who may not: 1) Be employee of any school district, public charter school, or other public or private agency that is providing education related services to a student who is the subject of the complaint being mediated; or 2) Have a personal or professional conflict of interest. A mediator is not considered an employee of Rainier Prep or charter school or other public or private agency solely because he or she serves as a mediator.

If the parties reach agreement through mediation, they may execute a legally binding agreement that sets forth the resolution and states that all discussions that occurred during the course of mediation will remain confidential and may not be used as evidence in any subsequent complaint, due process hearing or civil proceeding. The agreement must be signed by the complainant and a district representative who has authority to bind Rainier Prep.

Preservation of Records
The files containing copies of all correspondence relative to each complaint communicated to Rainier Prep and the disposition, including any corrective measures instituted by Rainier Prep, will be retained in the office of the compliance officer for a period of six years.
**STUDENT SEXUAL HARASSMENT POLICY**

Rainier Prep (the “District”) is committed to a positive and productive education free from discrimination, including sexual harassment. This commitment extends to all students involved in academic, educational, extracurricular, athletic, and other programs or activities of the school, whether that program or activity is in a school facility, on school transportation or at a class or school training held elsewhere.

**Definitions**

For purposes of this policy, sexual harassment means unwelcome conduct or communication of a sexual nature. Sexual harassment can occur adult to student, student to student or can be carried out by a group of students or adults and will be investigated by the District even if the alleged harasser is not a part of the school staff or student body. The District prohibits sexual harassment of students by other students, employees, or third parties involved in school activities.

Under federal and state law, the term “sexual harassment” may include:

- acts of sexual violence;
- unwelcome sexual or gender-directed conduct or communication that interferes with an individual’s educational performance or creates an intimidating, hostile, or offensive environment;
- unwelcome sexual advances;
- unwelcome requests for sexual favors;
- sexual demands when submission is a stated or implied condition of obtaining an educational benefit;
- sexual demands where submission or rejection is a factor in an academic, or other school-related decision affecting an individual.

A “hostile environment” has been created for a student when sexual harassment is sufficiently serious to interfere with or limit the student’s ability to participate in or benefit from the school’s program. The more severe the conduct, the less need there is to demonstrate a repetitive series of incidents. In fact, a single or isolated incident of sexual harassment may create a hostile environment if the incident is sufficiently severe, violent, or egregious.

**Investigation and Response**

If the District knows, or reasonably should know, that sexual harassment has created a hostile environment, it will promptly investigate to determine what occurred and take appropriate steps to resolve the situation. If an investigation reveals that sexual harassment has created a hostile environment, the District will take prompt and effective steps reasonably calculated to end the sexual harassment, eliminate the hostile environment, prevent its recurrence and as appropriate, remedy its effects. The District will take prompt, equitable and remedial action within its authority on reports, complaints and grievances alleging sexual harassment that come to the attention of the District, either formally or informally. The District will take these steps every time a complaint, alleging sexual harassment comes to the attention of the District, either formally or informally.
Allegations of criminal misconduct will be reported to law enforcement and suspected child abuse will be reported to law enforcement or Child Protective Services. Regardless of whether the misconduct is reported to law enforcement, school staff will promptly investigate to determine what occurred and take appropriate steps to resolve the situation, to the extent that such investigation does not interfere with an ongoing criminal investigation. A criminal investigation does not relieve the District of its independent obligation to investigate and resolve sexual harassment.

Engaging in sexual harassment will result in appropriate discipline or other appropriate sanctions against offending students, staff or other third parties involved in school activities. Anyone else who engages in sexual harassment on school property or at school activities will have their access to school property and activities restricted, as appropriate.

Retaliation and False Allegations

Retaliation against any person who makes or is a witness in a sexual harassment complaint is prohibited and will result in appropriate discipline. The District will take appropriate actions to protect involved persons from retaliation.

It is a violation of this policy to knowingly report false allegations of sexual harassment. Persons found to knowingly report or corroborate false allegations will be subject to appropriate discipline.

Staff Responsibilities

The School Leader will develop and implement formal (RP3205P) and informal procedures for receiving, investigating and resolving complaints or reports of sexual harassment. The procedures will include reasonable and prompt time lines and delineate staff responsibilities under this policy. Any school employee who witnesses sexual harassment or receives a report, informal complaint, or written complaint about sexual harassment is responsible for informing the district Title IX or Civil Rights Compliance Coordinator. All staff are also responsible for directing complainants to the formal complaint process.

Reports of discrimination and discriminatory harassment will be referred to the District’s Title IX/Civil Rights Compliance Coordinator. Reports of disability discrimination or harassment will be referred to the district’s Section 504 Coordinator.

School staff, including employees, contractors, and agents shall not provide a recommendation of employment for an employee, contractor, or agent that the district/school, or the individual acting on behalf of the school, knows or has probable cause to believe, has engaged in sexual misconduct with a student or minor in violation of the law.

Notice and Training

The School Leader will develop procedures to provide age-appropriate information and education to staff, students, parents and volunteers regarding this policy and the recognition and prevention of sexual harassment. At a minimum sexual harassment recognition and prevention and the elements of this policy will be included in staff orientation. This policy and the procedure, which includes the complaint process, will be posted in the building in a place available to staff. Information about the policy and
The procedure will be clearly stated and conspicuously provided to each employee and reproduced in the staff and student/family handbook and school website. Such notices will identify the District's Title IX coordinator and provide contact information, including the coordinator's email address.

Policy Review

The School Leader and Title IX Officer will make an annual review of the use and efficacy of this policy and related procedures. Recommendations for changes to this policy, if applicable, will be included in the review. The School Leader is encouraged to involve staff, students, volunteers, and parents in the review process.

STUDENT SEXUAL HARASSMENT PROCEDURE

The procedure is intended to set forth the requirements of policy RP3205, including the process for a prompt, thorough, and equitable investigation of allegations of sexual harassment and the need to take appropriate steps to resolve such situations. If sexual harassment is found to have created a hostile environment, staff must take immediate action to eliminate the harassment, prevent its reoccurrence, and address its effects.

This procedure applies to sexual harassment (including sexual violence) targeted at students carried out by other students, employees or third parties involved in Rainier Prep activities. Because students can experience the continuing effects of off-campus harassment in the educational setting, Rainier Prep will consider the effects of off-campus conduct when evaluating whether there is a hostile environment on campus. Rainier Prep has jurisdiction over these complaints pursuant to Title IX of the Education Amendments of 1972, Chapter 28A.640, RCW and Chapter 392-190 WAC.

Notice

- Information about Rainier Prep's sexual harassment policy will be easily understandable and be in each student, staff and family handbook.
- In addition to reproduction of this procedure and policy RP3205, Rainier Prep will provide annual notice to employees that complaints pursuant to this procedure may be filed at the school’s office, located at 10211 12th Ave S, Seattle, WA.

Staff Responsibilities

- In the event of an alleged sexual assault, the School Leader or designee will immediately inform: 1) the Title IX/Civil Rights Compliance Coordinator so that Rainier Prep can appropriately respond to the incident consistent with its own grievance procedures; and 2) law enforcement.
- The School Leader or designee will notify the targeted student(s) and their parents/guardians of their right to file a criminal complaint and a sexual harassment complaint simultaneously.

Confidentiality
If a complainant requests that his or her name not be revealed to the alleged perpetrator or asks that Rainier Prep not investigate or seek action against the alleged perpetrator, the request will be forwarded to the Civil Rights Compliance Coordinator for evaluation.

The Civil Rights Compliance Coordinator should inform the complainant that honoring the request may limit its ability to respond fully to the incident, including pursuing disciplinary action against the alleged perpetrator.

If the complainant still requests that his or her name not be disclosed to the alleged perpetrator or that Rainier Prep not investigate or seek action against the alleged perpetrator, Rainier Prep will need to determine whether or not it can honor such a request while still providing a safe and nondiscriminatory environment for all students, staff and other third parties engaging in Rainier Prep activities, including the person who reported the sexual harassment. Although a complainant’s request to have his or her name withheld may limit Rainier Prep’s ability to respond fully to an individual allegation of sexual harassment, Rainier Prep will use other appropriate means available to address the sexual harassment.

Retaliation
Title IX prohibits retaliation against any individual who files a complaint under these laws or participates in a complaint investigation. When an informal or formal complaint of sexual harassment is made, Rainier Prep will take steps to stop further harassment and prevent any retaliation against the person who made the complaint, was the subject of the harassment, or against those who provided information as a witness. Rainier Prep will investigate all allegations of retaliation and take actions against those found to have retaliated.

Informal Complaint Process
Anyone may use informal procedures to report and resolve complaints of sexual harassment. Informal reports may be made to any staff member. Staff will always notify complainants of their right to file a formal complaint and the process for the same. Staff will also direct potential complainants to the Civil Rights Compliance Coordinator. Additionally, staff will also inform an appropriate supervisor or professional staff member when they receive complaints of sexual harassment, especially when the complaint is beyond their training to resolve or alleges serious misconduct.

During the course of the informal complaint process, Rainier Prep will take prompt and effective steps reasonably calculated to end any harassment and to correct any discriminatory effects on the complainant. If an investigation is needed to determine what occurred, Rainier Prep will take interim measures to protect the complainant before the final outcome of Rainier Prep’s investigation (e.g., allowing the complainant to change academic or extracurricular activities or break times to avoid contact with the alleged perpetrator).

Informal remedies may include:

- An opportunity for the complainant to explain to the alleged harasser that his or her conduct is unwelcome, offensive or inappropriate, either in writing or face-to-face;
- A statement from a staff member to the alleged harasser that the alleged conduct is not appropriate and could lead to discipline if proven or repeated;
- Developing a safety plan;
- Separating students; or
- Providing staff and/or student training.
Informal complaints may become formal complaints at the request of the complainant, parent or guardian, or because Rainier Prep believes the complaint needs to be more thoroughly investigated.

Rainier Prep will inform the complainant and the parent or guardian how to report any subsequent problems. Additionally, Rainier Prep will conduct follow-up inquiries to see if there have been any new incidents or instances of retaliation, and to promptly respond and appropriately address continuing or new problems. Follow-up inquiries will follow a timeline agreed to by Rainier Prep and complainant.

**Formal Complaint Process**

**Level One – Complaint to Rainier Prep**

Anyone may initiate a formal complaint of sexual harassment, even if the informal complaint process is being utilized. At any level in the formal complaint process, Rainier Prep will take interim measures to protect the complainant before the final outcome of Rainier Prep’s investigation.

The following process will be followed:

**Filing of Complaint**

- All formal complaints will be in writing and will set forth the specific acts, conditions or circumstances alleged to have occurred and to constitute sexual harassment. The Title IX Coordinator may draft the complaint based on the report of the complainant for the complainant to review and approve. The School Leader or Title IX Coordinator may also conclude that Rainier Prep needs to conduct an investigation based on information in his or her possession, regardless of the complainant’s interest in filing a formal complaint.
- The time period for filing a complaint is one year from the date of the occurrence that is the subject matter of the complaint. However, a complaint filing deadline may not be imposed if the complainant was prevented from filing due to: 1) specific misrepresentations by Rainier Prep that it had resolved the problem forming the basis of the complaint; or 2) withholding of information that Rainier Prep was required to provide under WAC 392-190-065 or WAC 392-190-005.
- Complaints may be submitted by mail, fax, e-mail or hand-delivery to Rainier Prep Title IX Coordinator at 10211 12th Ave S, Seattle, WA. Any Rainier Prep employee who receives a complaint that meets these criteria will promptly notify the Coordinator.

**Investigation and Response**

- The Title IX Coordinator will receive and investigate all formal, written complaints of sexual harassment or information in the coordinator’s possession that they believe requires further investigation. The Coordinator will delegate his or her authority to participate in this process if such action is necessary to avoid any potential conflicts of interest. Upon receipt of a complaint, the Coordinator will provide the complainant a copy of this procedure.
- Investigations will be carried out in a manner that is adequate in scope, reliable and impartial. During the investigation process, the complainant and accused party or parties, if the complainant has identified an accused harasser(s), will have an equal opportunity to present witnesses and relevant evidence. Complainants and witnesses may have a trusted adult with them during any Rainier Prep-initiated investigatory activities. Rainier Prep and complainant may also agree to resolve the complaint in lieu of an investigation. When the investigation is completed, the Coordinator will compile a full written report of the complaint and the results of the investigation.

**School Leader Response**
The School Leader or designee will respond in writing to the complainant and the alleged perpetrator within thirty (30) calendar days of receipt of the complaint, unless otherwise agreed to by the complainant or if exceptional circumstances related to the complaint require an extension of the time limit. In the event an extension is needed, Rainier Prep will notify the complainant in writing of the reason for the extension and the anticipated response date. At the time Rainier Prep responds to the complainant, Rainier Prep must send a copy of the response to the Washington Office of the Superintendent of Public Instruction.

The response of the School Leader or designee will include: 1) a summary of the results of the investigation; 2) a statement as to whether a preponderance of the evidence establishes that the complainant was sexually harassed; 3) if sexual harassment is found to have occurred, the corrective measures Rainier Prep deems necessary, including assurance that Rainier Prep will take steps to prevent recurrence and remedy its effects on the complainant and others, if appropriate; 4) notice of the complainant's right to appeal to the school board and the necessary filing information; and 5) any corrective measures Rainier Prep will take, remedies for the complainant (e.g., sources of counseling, advocacy and academic support), and notice of potential sanctions for the perpetrator(s) (e.g., discipline).

The School Leader or designee's response will be provided in a language complainant can understand and may require language assistance for complainants limited English proficiency in accordance with Title VI of the Civil Rights Act of 1964. If the complaint alleges discriminatory harassment by a named party or parties, the coordinator will provide the accused party or parties with notice of the outcome of the investigation and notice of their right to appeal any discipline or corrective action imposed by Rainier Prep.

Any corrective measures deemed necessary will be instituted as quickly as possible, but in no event more than thirty (30) days after the School Leader's mailing of a response, unless the accused is appealing the imposition of discipline and Rainier Prep is barred by due process considerations or a lawful order from imposing the discipline until the appeal process is concluded. Staff may also pursue complaints through the District's anti-discrimination policy.

Rainier Prep will inform the complainant and the parent or guardian how to report any subsequent problems. Additionally, Rainier Prep will conduct follow-up inquiries to see if there have been any new incidents or instances of retaliation, and to promptly respond and appropriately address continuing or new problems. Follow-up inquiries will follow a timeline agreed to by Rainier Prep and the complainant.

Level Two - Appeal to Board of Directors

Notice of Appeal and Hearing

If a complainant disagrees with the School Leader or designee's written decision, the complainant may appeal the decision to Rainier Prep Board of Directors by filing a written notice of appeal with the secretary of the board within ten (10) calendar days following the date upon which the complainant received the response.

The Board will schedule a hearing to commence by the twentieth (20th) calendar day following the filing of the written notice of appeal, unless otherwise agreed to by the complainant and the superintendent or for good cause.

Both parties will be allowed to present such witnesses and testimony as the Board deems relevant and material.

Board Decision
● Unless otherwise agreed to by the complainant, the Board will render a written decision within thirty (30) calendar days following the filing of the notice of appeal and provide the complainant with a copy of the decision.
● The decision will be provided in a language that the complainant can understand which may require language assistance for complainants with limited English proficiency in accordance with Title VI of the Civil Rights Act.
● The decision will include notice of the complainant’s right to appeal to the State of Washington Superintendent of Public Instruction and will identify where and to whom the appeal must be filed. Rainier Prep will send a copy of the appeal decision to the State of Washington Office of the Superintendent of Public Instruction.

Level Three - Complaint to the Superintendent of Public Instruction
Filing of Complaint

● If a complainant disagrees with the decision of the Board of Directors, or if Rainier Prep fails to comply with this procedure, the complainant may file a complaint with the State of Washington Superintendent of Public Instruction.
● A complaint must be received by the Superintendent of Public Instruction on or before the twentieth (20) calendar day following the date upon which the complainant received written notice of the board of directors’ decision, unless the Superintendent of Public Instruction grants an extension for good cause. Complaints may be submitted by mail, fax, electronic mail, or hand delivery.
● A complaint must be in writing and include: 1) A description of the specific acts, conditions or circumstances alleged to violate applicable anti-sexual harassment laws; 2) The name and contact information, including address, of the complainant; 3) The name and address of Rainier Prep subject to the complaint; 4) A copy of Rainier Prep's complaint and appeal decision, if any; and 5) A proposed resolution of the complaint or relief requested. If the allegations regard a specific student, the complaint must also include the name and address of the student, or in the case of a homeless child or youth, contact information.

Investigation, Determination and Corrective Action

● Upon receipt of a complaint, the Office of the Superintendent of Public Instruction may initiate an investigation, which may include conducting an independent on-site review. OSPI may also investigate additional issues related to the complaint that were not included in the initial complaint or appeal to the superintendent or board.
● Following the investigation, OSPI will make an independent determination as to whether Rainier Prep has failed to comply with RCW 28A.642.010 or Chapter 392-190, WAC and will issue a written decision to the complainant and Rainier Prep that addresses each allegation in the complaint and any other noncompliance issues it has identified. The written decision will include corrective actions deemed necessary to correct noncompliance and documentation Rainier Prep must provide to demonstrate that corrective action has been completed.
● All corrective actions must be completed within the timelines established by OSPI in the written decision unless OSPI grants an extension. If timely compliance is not achieved, OSPI may take action including but not limited to referring Rainier Prep to appropriate state or federal agencies empowered to order compliance.
A complaint may be resolved at any time when, before the completion of the investigation, Rainier Prep voluntarily agrees to resolve the complaint. OSPI may provide technical assistance and dispute resolution methods to resolve a complaint.

**Level Four - Administrative Hearing**

A complainant or school district that desires to appeal the written decision of the Office of the Superintendent of Public Instruction may file a written notice of appeal with OSPI within thirty (30) calendar days following the date of receipt of that office’s written decision. OSPI will conduct a formal administrative hearing in conformance with the Administrative Procedures Act, Chapter 34.05, RCW.

**Other Complaint Options**

*Office for Civil Rights (OCR), U.S. Department of Education*

OCR enforces several federal civil rights laws, which prohibit discrimination in public schools on the basis of race, color, national origin, sex, disability, and age. File complaints with OCR within 180 calendar days of the date of the alleged discrimination.

*Washington State Human Rights Commission (WSHRC)*

WSHRC enforces the Washington Law Against Discrimination (RCW 49.60), which prohibits discrimination in employment and in places of public accommodation, including schools. File complaints with WSHRC within six months of the date of the alleged discrimination.

1-800-233-3247 | TTY: 1-800-300-7525 | [www.hum.wa.gov](http://www.hum.wa.gov)

**Mediation**

At any time during the complaint procedure set forth in WAC 392-190-065 through 392-190-075, Rainier Prep may, at its own expense, offer mediation. The complainant and Rainier Prep may agree to extend the complaint process deadlines in order to pursue mediation. The purpose of mediation is to provide both the complainant and Rainier Prep an opportunity to resolve disputes and reach a mutually acceptable agreement through the use of an impartial mediator. Mediation must be voluntary and requires the mutual agreement of both parties. It may be terminated by either party at any time during the mediation process. It may not be used to deny or delay a complainant’s right to utilize the complaint procedures. Mediation must be conducted by a qualified and impartial mediator who may not: 1) be an employee of any school district, public charter school, or other public or private agency that is providing education related services to a student who is the subject of the complaint being mediated; or 2) have a personal or professional conflict of interest. A mediator is not considered an employee of Rainier Prep or charter school or other public or private agency solely because he or she serves as a mediator. If the parties reach an agreement through mediation, they may execute a legally binding agreement that sets forth the resolution and states that all discussions that occurred during the course of mediation will remain confidential and may not be used as evidence in any subsequent complaint, due process hearing or civil proceeding. The agreement must be signed by the complainant and a Rainier Prep representative who has authority to bind Rainier Prep.

**Training and Orientation**

A fixed component of all Rainier Prep orientation sessions for staff and students will introduce the elements of this policy. Staff will be provided information on recognizing and preventing sexual
harassment. Staff will be fully informed of the formal and informal complaint processes and their roles and responsibilities under the policy and procedure.

Certificated staff will be reminded of their legal responsibility to report suspected child abuse, and how that responsibility may be implicated by some allegations of sexual harassment.

Students will be provided with age-appropriate information on the recognition and prevention of sexual harassment and their rights and responsibilities under this and other Rainier Prep policies and rules at student orientation sessions and on other appropriate occasions, which may include parents.

As part of the information on the recognition and prevention of sexual harassment staff, volunteers, students and parents will be informed that sexual harassment may include, but is not limited to:

- Demands for sexual favors in exchange for preferential treatment or something of value;
- Stating or implying that a person will lose something if he or she does not submit to a sexual request;
- Penalizing a person for refusing to submit to a sexual advance, or providing a benefit to someone who does;
- Making unwelcome, offensive or inappropriate sexually suggestive remarks, gestures, or jokes; or remarks of a sexual nature about a person's appearance, gender or conduct;
- Using derogatory sexual terms for a person;
- Standing too close, inappropriately touching, cornering or stalking a person; or
- Displaying offensive or inappropriate sexual illustrations on school property.

Policy and Procedure Review
The School Leader and Title IX officer will make an annual review of the use and efficacy of this policy and related procedures. Recommendations for changes to this procedure, if applicable, will be included in the review. The School Leader is encouraged to involve staff, students, volunteers, and parents in the review process.

**TITLE I PARENTAL INVOLVEMENT POLICY**

The board recognizes that parent and family engagement helps students participating in Title I programs achieve academic standards. To promote parent and family engagement, the board adopts the following policy, which describes how Rainier Prep will involve parents and family members of Title I students in developing and implementing Title I programs.

Rainier Prep agrees to implement the following statutory requirements:

B. **Plan and implementing effective parent and family involvement activities.** These activities must improve student academic achievement and school performance, which may include
meaningful consultation with employers, business leaders, and philanthropic organizations, or individuals with expertise in effectively engaging parents and family members in education;

C. **Coordinate and integrate** parent and family engagement strategies to the extent feasible and appropriate, with other relevant Federal, State, and local laws and programs;

D. **Conduct,** with the meaningful involvement of parents and family members, an annual evaluation of the content and effectiveness of the parent and family engagement policy in improving the academic quality of all schools served under this part, including identifying—

- Barriers to greater participation by parents/families in activities authorized by this section (with particular attention to parents who are economically disadvantaged, are disabled, have limited English proficiency, have limited literacy, or are of any racial or ethnic minority background);

- The needs of parents and family members to assist with the learning of their children, including engaging with school personnel and teachers; and

- Strategies to support successful school and family interactions;

E. **Use the findings of such evaluation** to design evidence-based strategies for more effective parental and family engagement, and to revise, if necessary, the parent and family engagement policies described in this section; and

F. **Involve parents in the activities of the schools,** which may include establishing a parent advisory board comprised of a sufficient number and group of parents or family members to represent the needs of the population. This advisory board would help develop, revise, and review the parent and family engagement policy.

Estimados Alumnos y Familias,

¡Es con emociones encontradas que comenzamos el año escolar 2021-2022! Maggie O’Sullivan, nuestra cofundadora y líder escolar durante seis años, ha concluido su tiempo en Rainier Prep y eso nos deja a muchos de nosotros sintiendo un vacío. Al mismo tiempo, estamos muy emocionados de que nuestra comunidad pueda estar junta en persona comenzando con las reuniones familiares de agosto. Estamos entusiasmados de poder tener paseos escolares, vernos en los pasillos y convivir, dar la bienvenida a nuevas familias y aprender en el mismo espacio físico. Confiamos en que la comunidad de Rainier Prep que construiremos y mantendremos juntos este año escolar pueda ser una fuente de apoyo, fortaleza y crecimiento para todos nosotros.

Desde nuestra fundación, en Rainier Prep hemos buscado y continuaremos buscando proporcionar una escuela donde cada alumno/a sienta realmente conocido/a, desafiado/a; donde se le pide que piense y pregunte; un lugar donde pueda ser verdaderamente curioso/a acerca de su mundo y pueda desarrollar las habilidades que necesite para su educación universitaria y su vida.

Rainier Prep provee un ambiente de alto rigor y apoyo para que todos los estudiantes puedan estar en el camino hacia la universidad. Contamos con un personal increíble que cree profundamente en el potencial y la posibilidad de todos y cada uno de nuestros estudiantes. Desarrollamos habilidades en lectura, escritura y matemáticas. En adición a estas habilidades, nuestros estudiantes construyen robots, leen y analizan novelas de libros de todo el mundo, preguntándose quién y cómo es que la historia es escrita, crean experimentos de ciencia explosivos, trabajan colaborativamente a través de los niveles de grado en sus proyectos de portafolio de fin de año, y construyen fuertes amistades en sus grupos de asesoría.

En Rainier Prep, nuestras metas para nuestros estudiantes son audaces. Trabajando juntos y cercanamente, buscamos hacer posible que cada estudiante que entre por nuestras puertas pueda ir y recibirse de la universidad. Durante su tiempo con Rainier Prep, su(s) hijo(s) tendrán la oportunidad de desarrollar sus capacidades como alumnos y líderes. Este camino no será fácil y habrá desafíos en el camino, pero nos mantendremos enfocados en la meta, trabajaremos juntos, y perseveraremos.

Lo que sigue a esta carta es el manual familiar de Rainier Prep que fue creado para ayudarlo a usted y a su(s) estudiante(s) a tener éxito en alcanzar nuestras metas. Lea el manual detenidamente y comuníquese con nosotros si tiene alguna pregunta. A las nuevas familias: ¡bienvenidos! ¡Estamos muy emocionados de conocerte! Para las familias que regresan: ¡bienvenidos! Notará algunos cambios en el manual, así que reviselo. Juntos, estamos construyendo una comunidad escolar increíble que puede tener un impacto positivo en nuestro mundo y en todas nuestras vidas.

Atentamente,

Morgan Fernandez

C. UNIFORMES Y CÓDIGO DE VESTIMENTA

Los uniformes y un código de vestimenta ayudan a mantener una cultura escolar de unidad y excelencia académica. Nuestros estudiantes usan uniformes para que sea más fácil para las familias escoger ropa para la escuela, para evitar las distracciones inevitables y distinciones de estatus causadas por la ropa, y para asegurar que nuestros estudiantes se enfoquen en el aprendizaje, no en la ropa que los otros estudiantes están usando.

**Uniforme:**

- Faldas, pantalones, vestidos, pantalones cortos (shorts) u overoles (overalls) azul marino, caqui, negros, blancos o gris.
  - Las faldas y pantalones cortos (shorts) deben llegar a la rodilla.
  - No se permite la mezclilla o parecido al mezclilla (jeans)
  - No se permiten “leggings” o medias sin bolsillos reales
- Camisa de cuello (manga larga o corta) blanca, azul marino, azul bajo, negra, gris, o caqui.
- Camisetas visibles deben ser blancas, azul marino, negras, gris o caqui.
- Suéteres/sudaderas de cuello redondo, incluyendo suéteres/sudaderas con el logo de Rainier Prep, azul marino, blancas, negras, gris o caqui. Estos suéteres/sudaderas deben de usarse con una camisa de cuello debajo.
- Mallas y “hijabs” deben ser sin decoraciones/diseños y ser de color blanco, azul marino, negro, caqui, o gris.
- Zapatos cerrados que pueden usarse para actividades deportivas en la escuela (no se permiten sandalias o tacones, aun en los días sin uniforme).
- No se permiten logotipos, marcas, u otras formas de decoración en la ropa a menos que sea de Rainier Prep.
- No se permite ropa, joyería, accesorios, o pelo que sea una distracción para el aprendizaje del estudiante o de otros.
- Las chaquetas no se pueden usar en clase. Los sombreros/gorras no se pueden usar en el edificio.
- Los viernes, animamos a los estudiantes que usen una camiseta de Rainier Prep o una camiseta de alguna universidad.

De preferencia, pedimos que los alumnos no tengan logotipos (al menos que sea de Rainier Prep) u otro tipo de decoración en el uniforme. Sin embargo, se permitirán logotipos en una camisa de cuello siempre y cuando el logotipo sea más pequeño que una moneda de 25 centavos (quarter).

Si un estudiante no puede corregir una infracción de uniforme por sí mismo, los padres tendrán que traer inmediatamente el/los elemento(s) correspondiente(s) a la escuela, para que el estudiante esté en uniforme. ¡Por esta razón es que le paquetes higiénicos son requeridos!

Rainier Prep tendrá días de espíritu escolar durante el año en el cual los estudiantes podrán usar trajes temáticos. Adicionalmente, estudiantes podrán ganarse un día sin uniforme como un incentivo. La elección de ropa en estos días debe ser respetuosa de un ambiente de aprendizaje. Por favor pregúntele al asesor de su estudiante para confirmar si hay día sin uniforme para su estudiante.

**Paquetes de Higiene:**

Todos los estudiantes necesitaran un paquete de higiene almacenado en su salón de Asesoría. Las familias enviarán este paquete a la escuela con sus estudiantes durante la primera semana de clases. El paquete de higiene debe incluir un uniforme limpio, una camiseta, calcetines, ropa interior, desodorante, toallitas refrescantes (por ejemplo, Kleenex Splash & Go), bolsas grandes (para cualquier ropa sucia o mojada) y toallas sanitarias.
III. PROGRAMA ACADÉMICO

A. INFORMACIÓN GENERAL

El horario diario de Rainier Prep está diseñado para cumplir nuestro objetivo de preparar a todos los estudiantes para sobresalir en una universidad de cuatro años y convertirse en líderes de sus comunidades. El día escolar consiste en cursos de Asesoría, Apoyos en el crecimiento de Lectura y Matemáticas, Ingles (Literatura, Escritura, y Gramática), Ciencias Sociales, Educación Física, Matemáticas, Ciencias, y Enriquecimiento.

Clases de asesoramiento tendrán contenido relacionado con el aprendizaje social y emocional, construyendo relaciones positivas, resolución de conflictos, el liderazgo, la función ejecutiva, y organización para asegurar que los estudiantes tengan las habilidades y recursos que necesitan para tener éxito.

Todos los estudiantes tendrán una clase de apoyo en lectura y una clase de apoyo en matemáticas en la mañana. La clase de apoyo en lectura se enfocará en desarrollar las habilidades fundamentales, así como en el aumento de las habilidades de comprensión y discusión. La clase de apoyo en matemáticas les dará a los estudiantes tiempo adicional para procesar su aprendizaje de la clase general de matemáticas y profundizar o ampliar su comprensión de ciertos conceptos.

Las clases de Matemáticas, Ingles (Literatura, Escritura, y Gramática), y Ciencia Sociales se centran en la aceleración de las habilidades fundamentales de todos los alumnos para que estén preparados para ser exitosos.

La clase de Ciencias ayuda a los estudiantes a convertirse en aprendices de por vida que descubren y crecen en su comprensión del mundo. El curso combina temas esenciales de la Tierra, la Vida y Ciencias Físicas.

Enriquecimiento es un curso electivo donde los estudiantes tendrán diversas experiencias de aprendizaje fuera del modelo tradicional en el salón de clase. Ellos tendrán la oportunidad de aprender nuevas habilidades, trabajar juntos como una comunidad y desarrollar sus habilidades de liderazgo.

B. TAREA Y LECTURA

La tarea es asignada con el fin de establecer patrones de responsabilidad, desarrollar hábitos de estudio exitosos, ayudar a los estudiantes a aprender a trabajar de forma independiente, permitir a los estudiantes descubrir y explorar temas y cuestiones basadas en los intereses y necesidades individuales y preparar a los estudiantes para clases rigurosas de preparación para la universidad.

Se requiere de todos los estudiantes que lean independientemente 30 minutos todos los días fuera de la escuela. Esta lectura puede ser lectura asignada por maestros o lectura independiente escogida por el estudiante. Los estudiantes en el quinto y el sexto grado tendrán que llenar una hoja de lectura para demostrar que han leído y para crear el hábito de leer todos los días. En el séptimo y octavo grado, todavía se requiere que los estudiantes lean todos los días pero no tendrán que llenar una hoja de lectura. Ha sido comprobado por investigaciones que los estudiantes que lean regularmente incrementan su vocabulario, sacan mejores notas en los exámenes estandarizados y a menudo mejoran sus calificaciones.
C. TAREA DURANTE VACACIONES DE VERANO Y DÍAS FESTIVOS

Estamos comprometidos en asegurar que los estudiantes continúen creciendo y desarrollándose, incluso durante las vacaciones escolares, tiempo en el que los estudiantes pueden perder los logros obtenidos durante el año escolar. Para combatir esto, es posible que asignemos tarea durante los días festivos. Todos los estudiantes deben de leer todos los días durante las vacaciones. Muchos de nuestros programas de aprendizaje en línea están disponibles para el uso durante las vacaciones para practicar habilidades y la biblioteca es un buen recurso forma para estos tiempos también.

E. ESTUDIOS DE CAMPO

Tomamos a los estudiantes a estudios de campo para apoyar el currículo dentro del salón de clase y proporcionar experiencias especiales de aprendizaje. Se enviara información sobre los próximos estudios de campo regularmente.

Nosotros a menudo pedimos chaperones voluntarios adultos para los estudios de campo. Si le gustaría ser un chaperón para un estudio de campo, por favor avísele al maestro(a) asesor(a) de su estudiante. Adicional, necesitaremos que un formulario comprobación de antecedentes sea llenado por el chaperón una semana antes de ser voluntario al estudio de campo. Este formulario se puede llenar y ser entregado a la oficina.

Para la a seguridad de estudiantes y/o personal de la escuela ocasionalmente preguntaremos que usted u otro adulto de confianza acompañe a su alumno al estudio de campo como chaperón adicional. Adicionalmente, es posible que haiga estudiantes que no serán invitados al estudio de campo si el comportamiento del alumno merece preocupación. Los estudios de campo proporcionan enriquecimientos valuables pero es un privilegio, no un derecho.

F. EDUCACIÓN ESPECIAL Y NIÑOS CON NECESIDADES ESPECIALES

Rainier Prep se compromete a asegurar que cada estudiante tenga las habilidades y los servicios necesarios para sobresalir en la escuela. Trabajamos muy de cerca con las familias a través del proceso de evaluación y recomendación de educación especial para coordinar los servicios de educación especial, tanto internamente y con las agencias gubernamentales externas. Si tiene preguntas sobre el servicio de su hijo o acerca de la educación especial en general, póngase en contacto con la maestra Morgan Krieger.

Los estudiantes aprenden a ritmos diferentes, pero algunos tienen dificultad significativa en una o más de las siguientes áreas: la interacción social, el juego, el habla y el lenguaje, la visión, la audición, la atención, el comportamiento o la coordinación de movimientos. Rainier Prep está aquí para ayudarle a conseguir acceso a los servicios para satisfacer las necesidades únicas de aprendizaje de su hijo. Si usted tiene alguna pregunta o inquietud, por favor llame a la escuela y pida hablar con la maestra Morgan Krieger.

G. PETICIONES PARA MAESTROS O COMPAÑEROS EN ESPECÍFICO

Cada año, hacemos todo lo posible para asegurar que su estudiante sea colocado en un salón de clases con los profesores y otros estudiantes que proporcionarán la mejor experiencia de aprendizaje posible. Sin embargo, no aceptamos o atendemos a las solicitudes por un maestro en específico o solicitudes para que ciertos estudiantes sean colocados en la misma clase.
**H. ÚTILES ESCOLARES**

Los estudiantes de Rainier Prep llevan una carpeta para y desde sus clases. Esta carpeta es una herramienta de organización que se usa de manera estratégica diariamente. Por lo tanto, al comienzo del año, Rainier Prep proporcionará a cada estudiante con una carpeta, un estuche para lápices, y separadores para ayudar a los estudiantes en su organización. Los artículos que las familias deben comprar se indican a continuación.

Lista de útiles escolares de Rainier Prep:

- Desinfectante de manos que contenga al menos un 60% de alcohol
- 2 Cubre bocas
- Lápices con punta (por lo menos tres para empezar el día)*
- Auriculares (no audífonos sobre el oído)
- Botella de agua (con el nombre del estudiante)
- Paquete de Higiene (vea la página 5 para más detalles)
- **Recomendado**: carpeta con zíper de alta resistencia

Sólo una carpeta será proporcionada por Rainier Prep. Las familias tendrán que reemplazar cualquier carpeta mal manipulada o desgastada durante el año escolar. *Alumnos el quinto grado utilizaran lápices estilo numero 2 (no se les permitirá utilizar lapiceros o lápices mecánicos)

**IV. PARTICIPACIÓN DE LAS FAMILIAS**

**A. COLABORACIÓN ENTRE LA ESCUELA Y LA FAMILIA**

Una asociación fuerte entre la escuela y la familia es fundamental para el éxito de un estudiante. Esperamos poder colaborar estrechamente con usted en el camino de su hijo/a hacia la universidad y una vida de liderazgo.

**B. COMUNICACIÓN**

¡La comunicación es una calle de dos vías en Rainier Prep!

Como escuela, nos comunicamos regularmente con usted a través de llamadas telefónicas, boletines semanales, correos electrónicos, llamadas grabadas, mensajes de texto y reuniones en persona. Además, cada viernes su estudiante recibe el volante La GUIA en español que destaca la información relevante de la escuela (este folleto también se envía por correo electrónico a las familias). El maestro(a) asesor(a) de su estudiante es su fuente primaria de información con respecto a su estudiante, por esta razón es importante que guarde el número de teléfono del maestro(a) asesor(a) de su alumno.

Las familias también pueden revisar las calificaciones de los estudiantes en cualquier momento durante el año escolar ingresando al Portal de Padres “Synergy” (https://wa-rai.edupoint.com/PXP2_Login_Parent.aspx). La mayoría de los padres crearon una cuenta de portal durante el proceso de inscripción. Sin embargo, si va a iniciar la sesión por primera vez, tendrá que crear una cuenta con un código de acceso especial proporcionado por el asesor de su hijo o la oficina. Si ya ha creado una cuenta, inicie la sesión con su correo electrónico y su contraseña.

Todas las familias tienen derecho a información sobre la educación de su estudiante en el lenguaje que usted comprende. Si en cualquier momento usted necesita un intérprete por favor comuníquese con Ms. Kowsar al 206-494-5979 x705 o khassan@rainierprep.org.
¡Nos gustaría saber de usted también! Llame o envíe un correo electrónico al maestro(a) asesor(a) de su hijo(a), la oficina, o cualquier miembro del personal. Si no contestamos el teléfono, por favor deje un mensaje y le devolveremos la llamada dentro de 24 horas de trabajo.

Por favor asegúrese de que la oficina y el asesor de su hijo tengan la información de contacto más actualizada de usted y por lo menos un contacto de emergencia.

Si usted tiene alguna pregunta o duda, comuníquese con la escuela: 206-494-5979 x0 o mainoffice@rainierprep.org. Si la escuela no puede hacer frente a sus preocupaciones, usted puede seguir los pasos en la Póliza de Reclamo Formal, que está disponible al pedirla en nuestra oficina.

C. CONFERENCIAS ESTUDIANTILES

Los maestros asesores de Rainier Prep se reúnen con los estudiantes y sus familias tres veces durante el año escolar: Reuniones de Familias en Agosto, Conferencias estudiantiles en Noviembre y en Marzo. Personal de Rainier Prep se comunicara con usted por lo menos tres semanas antes para programar su cita. Por favor dé prioridad a estas reuniones, ya que nos ayudan a mejor conocer y apoyar a su estudiante durante el año escolar.

D. OBSERVACIONES DE CLASES ACADÉMICAS

Si desea observar la clase de su hijo, por favor hable con el maestro(a) o el maestro(a) asesor(a) de su hijo por lo menos un día antes para asegurarse de que no hay conflicto con un estudio de campo u otro evento programado. Las observaciones deben ser no más de dos horas y no deben ocurrir durante las primeras cuatro semanas de la escuela, mientras que los estudiantes se están acostumbrando a su salón de clases y rutinas. Por razones de seguridad, siempre consulte con la oficina antes de ir a un salón de clase o al patio de recreo.

E. COMO INVOLUCRARSE

Grupo Comunitario de Asesoría de Rainier Prep: El Grupo Comunitario de Asesoría es conformado por padres, miembros de la familia, estudiantes, personal escolar. Se reúnen una vez por trimestre y apoyan nuestra escuela con eventos especiales y programación familiar.

Voluntarios: ¡Damos la bienvenida e invitamos a la participación de familias y comunitaria en nuestra escuela! Para ser voluntario, llene el formulario correspondiente en la oficina. Los voluntarios que tendrán contacto sin supervisión con los estudiantes estarán obligados a someterse a una verificación de antecedentes. Por favor considere compartir sus conocimientos y habilidades con nuestra escuela.

F. RECAUDACIÓN DE FONDOS DE PARTE DE LAS FAMILIAS

No animamos la recaudación de fondos de parte de las familias ya que queremos que el tiempo y la energía de las familias se centren en el éxito académico y el bienestar de sus hijos. Si una persona o grupo quiere recaudar fondos, tendrán que obtener previamente permiso de la Líder de la escuela.

G. TUTORÍA

Nuestros profesores no pueden recibir una compensación adicional para trabajar con los estudiantes de Rainier Prep. El maestro de su estudiante proporcionará apoyo adicional durante las horas de clase para asegurarse de que su hijo está progresando. Por esta razón, le pedimos no pedir al maestro/a de su hijo que de tutoría adicional pagada fuera de la escuela.
V. INFORMACIÓN DEL DÍA ESCOLAR

A. ASISTENCIA

Nosotros estamos comprometidos a asegurar que todos los estudiantes asistan puntualmente a la escuela, todos los días, durante todo el día. Si por alguna razón su estudiante estará ausente/tarde a la escuela, debe llamar o enviar un correo electrónico a la oficina principal antes de las 8:45 AM.

Es posible que estudiantes que pierdan muchos días escolares se atrasen en dos maneras a comparación con sus compañeros: académicamente y socialmente. Este consiente de que la asistencia a la escuela es requerida y que el absenteismo escolar está sujeta al Estado de Washington y sus leyes incluyendo peticiones a la corte juvenil. Su estudiante tendrá que ser referido a la corte juvenil si está ausente (sin excusa) por 5 o más días en un mes o 10 días durante el año escolar. Cualquier ausencia será considera sin excusa al menos de que llene uno de los criterios previstos por el código administrativo del estado de Washington 392-401-020, incluyendo:

- Enfermedad, condición de salud o cita médica. Se requerirá una nota del médico si su estudiante está ausente por 3 o más días debido a una enfermedad.
- Emergencia familiar que incluye, pero no se limita a, una muerte o enfermedad en la familia;
- Propósito religioso o cultural, incluyendo la celebración de una fiesta religiosa o cultural
- Ausencia relacionada con el estatus “sin hogar” o de cuidado tutelar

Si su hijo está enfermo con una enfermedad contagiosa o tiene los siguientes síntomas o dolencias, por favor de manténgalo en casa y busque atención médica.

- Fiebre de 99.5 grados o más
- Gripe o enfermedad que implica vómitos o diarrea
- Conjuntivitis: infección en los ojos; provoca enrojecimiento, hinchazón, secreción
- Tiña: infección por hongos que afecta a cualquier parte de la piel
- Síntomas de Covid-19 (que no sean causados por otra condición)
  - Toz
  - Dificultad para respirar
  - Fiebre (temperatura 100.4 F)
  - Escalofríos
  - Dolores musculares o de cuerpo
  - Dolor de garganta
  - Pérdida reciente del gusto u olfato
  - Otros síntomas menos comunes incluyen náuseas, vómitos o diarrea

Si el personal escolar cree que su estudiante tiene cualquiera de las condiciones mencionadas anteriormente, el estudiante puede ser enviado a casa para reducir la posibilidad de propagar/infectar a otros. Por favor, mantenga sus hijos en casa hasta que sus síntomas de la gripe o fiebre se han ido por 12 horas. Su estudiante puede regresar a la escuela si él/ella proporciona documentación de un médico que indique que la conjuntivitis ya no es contagiosa o que ha iniciado el tratamiento de la tiña. Si usted o su estudiante son expuestos a Covid-19, comuníquese con nuestra oficina inmediatamente para que podamos implementar los procedimientos adecuados de seguimiento, aislamiento y cuarentena de contactos bajo la dirección de nuestra autoridad local de salud pública.

Según la Guía de Salud del Estado de Washington y las recientes investigaciones, las circunstancias señaladas a continuación no deben impedir que un niño asista a la escuela. Sin embargo, si el estudiante o el hogar están experimentando cualquiera de lo siguiente, por favor alerte al asesor de su hijo y la oficina principal. Vamos a respetar la privacidad de su hijo, al tiempo que reducimos la exposición a los demás.
- Piojos: pequeños insectos que viven en el cabello o en la ropa de una persona
- Chinches: diminutos insectos que son de color marrón rojizo, planas y ovaladas que viven en la ropa y los muebles

Si su estudiante está regularmente ausente o llega tarde a la escuela, nosotros esperamos que usted se reúna con nosotros para discutir estrategias para mejorar la asistencia de su estudiante.

Vacaciones familiares deben ser planeadas alrededor de las vacaciones escolares y no serán consideradas ausencias excusadas.

Si su estudiante falta a la escuela 20 días consecutivos el estudiante será automáticamente des-matriculado. La familia puede reaplicar pero es posible, que dado al espacio limitado, el estudiante quede en la lista de espera.

**B. LA LLEGADA Y SALIDA**

Los estudiantes serán considerados a tiempo si están sentados en su asiento asignado en su clase de asesoramiento a las 8:40 AM. Adicionalmente, para ser marcado presente en todos los periodos los estudiantes deben de estar sentados en sus asientos asignados cuando termine de sonar la campana.

Cualquier persona que recoja a un estudiante (incluyendo a los padres) debe estar en la lista de selección. Para añadir/quitar a la gente de esta lista, el tutor legal debe ponerse en contacto con la oficina principal o asesor del estudiante por lo menos 24 horas antes de que este adulto autorizado recoja a su hijo.
Todos los arreglos de salida deben ser finalizados con su(s) estudiante(s) antes del inicio de la jornada escolar. Además, los estudiantes y las familias deben tratar de mantener un plan de salida coherente para reducir errores y asegurar que los estudiantes lleguen a casa con seguridad.

C. CANCELACIÓN DE CLASES

Muy rara vez cerramos la escuela. Siempre asuma que nuestra escuela está abierta, incluso si las escuelas de Highline no lo están. Si decidimos cerrar/retrasar la apertura de la escuela, recibirá un correo electrónico y llamada grabada, y cambiaremos nuestro mensaje de correo de voz de la oficina.

D. TRANSPORTEACIÓN DE AUTOBÚS

Rainier Prep proporciona servicios de autobús para los estudiantes que viven dentro de las escuelas públicas de Highline a través de un contrato con la compañía de autobuses Harlow’s. Las rutas de autobuses no van a hogares individuales, sino más bien a una ubicación central donde un número de estudiantes pueden ser recogidos y devueltos. Por favor, consulte con la oficina principal o rainierprep.org para la lista más actualizada de las rutas de autobús.

Tan pronto como se nos notifica de los retrasos de autobuses, Rainier Prep envía mensajes de texto a todas las familias que se hayan registrado al servicio de mensajes de texto. Ya que sepa la ruta de autobús de su estudiante, por favor registrese para este servicio enviando un mensaje de texto al 84483 con la ruta en el cuadro de mensaje (ej. Route1, Route2, Route3, Route4). Por favor llame al despacho de Harlow’s en casos inusuales al 253-939-7700.

Todos los estudiantes deben estar en su parada designada 5 minutos antes de la hora prevista. Se espera que los estudiantes sean respetuosos y sigan todas las reglas de la escuela, mientras que esperan el autobús y en el autobús estando en el auto bus y al regreso a casa.

Subirse al autobús es un privilegio no un derecho, y el mal comportamiento puede resultar en que los privilegio de utilizar el autobús escolar sea revocado u otras consecuencias, incluyendo llamadas a casa, junta con los padres, el no poder usar el autobús escolar (1un día a 2+ semanas) y servicio comunitario. Para poder mantener la seguridad de todos, requerimos que los estudiantes sigan expectativas específicas. Al estar en el autobús todos los estudiantes deben de estar sentados en su asiento asignado, fuera del pasillo, viendo hacia el frente, y platicando al nivel dos.

**F. NORMAS Y REGLAS DURANTE EL DÍA ESCOLAR**

**Norma/Regla de Nuez:** La escuela es consciente de las nueces. Esto significa que todos los alimentos deben estar libres de cacahuetes para acomodar a nuestros estudiantes con alergias graves a los cacahuetes.

**Norma/Regla de Comida chatarra:** Ofrecemos desayunos y almuerzos nutritivos. Si decide enviar alimentos a la escuela con su estudiante, por favor envié elementos saludables como frutas frescas, verduras, jugo que sea 100% jugo, sándwiches, galletas de trigo integral, etc. Si los estudiantes traen la comida chatarra a la escuela (ejemplos incluyen: galletas, pastelitos, dulces, bebidas azucaradas, etc.) o cosas con sabores, coloridos o ingredientes artificiales tiraremos el artículo o lo enviaremos a casa. Sabritas que son naturales como de maíz o sabritas que son horneadas (“baked”) son permitidos. Nuestro objetivo es fomentar hábitos alimenticios saludables realizando que la comida afecta el funcionamiento de nuestros cerebros y la habilidad al aprender.

**Norma/Regla de la Celebración del Cumpleaños:** Aunque nos encanta celebrar el individualismo y logros académicos de los estudiantes, no celebramos los cumpleaños de los estudiantes a través de las celebraciones de cumpleaños en la escuela. Por favor no traiga regalos especiales a la escuela para el cumpleaños de su hijo.

Por favor marque todos los artículos de su hijo para que sea más fácil volver a ellos si se pierden.

**Norma/Regla Anti-Acoso, Anti-Intimidación, Anti-Matones y Anti-Discriminación:** El acoso, la intimidación, el “bullying,” y la discriminación no serán tolerados. Por favor asegúrese de que usted y su estudiante lean y entiendan la Política Estudiantil Anti-Acoso, Anti-Intimidación y Anti-Bullying (ver Apéndice A). Aparatos Electrónicos en la Escuela: Los teléfonos celulares, relojes inteligentes, y otros aparatos electrónicos deben permanecer apagados y almacenados en la mochila del estudiante durante las horas de clase a menos que lo indique el personal escolar. La escuela no se hace responsable por celulares que se pierdan o son robados o de cualquier otro artículo de tecnología que los estudiantes traen a la escuela. Si el estudiante saca el teléfono celular o aparatos inteligentes (incluyendo los relojes inteligentes) durante el día de la escuela, el celular será confiscados y será regresados directamente al padre o guardián. El personal de la escuela no investigara la perdida de artículos electrónicos perdidos o robados.

G. PROTOCOLOS DE SEGURIDAD COVID-19

Nuestro objetivo, a medida que continuamos navegando por la pandemia de COVID-19, es asegurarnos de que todas las familias y los estudiantes estén lo más seguros posible mientras brindamos un aprendizaje significativo a través de una comunidad que redefine y reinventa lo que es aprender y la escuela. Rainier Prep continuará siguiendo las pautas de OSPI, el Departamento de Salud de Washington, Salud Pública de Seattle y el Condado de King y la CDC. Dada la orientación en el momento de la publicación de este manual, a continuación se muestran los protocolos de seguridad que Rainier Prep seguirá. Los protocolos a continuación están sujetos a cambios a medida que recibamos orientación actualizada de las autoridades de salud pública.

El miembro del personal designado seguirá el “Positive Covid Case Action Plan” de Rainier Prep. Si Rainier Prep se entera de que su estudiante estuvo expuesto (en contacto cercano) con alguien que dio positivo por Covid-19 mientras estaba en la escuela, su familia será notificada a través de una llamada telefónica personal o automatizada. Los estudiantes y el personal completamente vacunados que no presenten síntomas no tienen que ponerse en cuarentena cuando se exponen al Covid-19. En caso de exposición, Rainier Prep puede solicitar documentación que verifique el estado de vacunación de Covid-19 de su estudiante. |

VI. DOCUMENTOS REQUERIDOS

Los formularios permanecerán en el archivo de su hijo y son confidenciales. Copias en blanco están disponibles al pedirlas en la oficina.

A. FORMULARIOS DE SALUD

Los registros de inmunización: Basado en la edad de su hijo, hay ciertas vacunas que su estudiante debe recibir para asistir a la escuela (ver tabla a continuación del Departamento de Salud del Estado de Washington). Su médico registra la información de inmunización en el Certificado de Estado de Inmunización de su hijo y se requiere una copia de este registro al ingresar en Rainier Prep. En cualquier momento en que su estudiante
reciba inmunizaciones adicionales, por favor provea una copia actualizada. Si las vacunas de su hijo no están actualizadas, el estudiante no puede asistir a la escuela.

Tenga en cuenta, 1 dosis de Tdap se requiere en o después del 11vo cumpleaños de un estudiante.

El estado de Washington requiere las siguientes vacunas:

VII. DISCIPLINA
Rainier Prep es una institución de educación. Esperamos que todos los miembros de la comunidad sean respetuosos, abracen nuestros valores GUIDES, y crean un espacio seguro y ordenado para el aprendizaje y el crecimiento. Preparar a nuestros estudiantes para sobresalir en una universidad de cuatro años y para ser líderes en su comunidad no es tarea sencilla y cada momento se valora. Por lo tanto, no podemos permitir que un estudiante perturbe el ambiente de aprendizaje para todos. Con el fin de establecer y mantener una cultura escolar que promueva el aprendizaje y el respeto por los demás, hemos establecido el Código de Conducta, que contiene una lista de posibles infracciones y consecuencias.

Por favor, tenga en cuenta que la lista de conducta inaceptable y consecuencias no es exhaustiva. Rainier Prep puede complementar este Código de Conducta con normas adicionales, según corresponda. Además, violaciones del Código de Conducta y las consecuencias resultantes están sujetas a la discreción de la escuela y pueden ser complementadas y/o ajustados en consecuencia. La conducta anterior del estudiante y su historia disciplinaria pueden ser factores en la determinación de la consecuencia apropiada para una infracción.

El Código de Conducta se hará cumplir en todo momento. Los estudiantes deben cumplir con el Código de Conducta, cuando estén en la escuela, en las áreas de la escuela, participando en una actividad patrocinada por la escuela y caminando hacia o desde, esperando por, en el autobús escolar, o en el transporte público hacia o desde la escuela o una actividad patrocinada por la escuela. El mal-comportamiento grave fuera de la escuela, incluyendo actividades electrónicas—pueden considerarse una falta de disciplina de la escuela cuando la mala conducta o presencia continua del estudiante en la escuela tiene o tendría un efecto perjudicial significativo en la escuela y/o ha creado o crearían un riesgo de perturbación considerable del trabajo de la escuela.
A. VIOLENCIA Y AGRESIÓN

Debemos asegurarnos de que nuestros estudiantes estén seguros en todo momento en nuestras escuelas. Rainier Prep no tolera la conducta agresiva o violenta que pone la seguridad de nuestros estudiantes, personal, o de la comunidad en peligro.

B. CONSECUENCIAS

Pérdida de Privilegios
Si un estudiante actúa por debajo de las expectativas, no presenta el trabajo requerido, viola el Código de Conducta o generalmente no logra mantener el nivel de rigor académico esperado de los estudiantes, entonces la participación del estudiante en el enriquecimiento, el recreo, estudios de campo, proyectos de artes y actuaciones u otros privilegios pueden ser revocados temporalmente.

Salón de Reflexión
Los estudiantes que violen el código de conducta pueden ser obligados a reflexionar sobre su comportamiento y, en su caso, hacer las reparaciones. Este tiempo puede ser servido antes o después de la escuela, durante el almuerzo, el enriquecimiento, o durante el día escolar o como asignado por el personal de la escuela.

Reunión Familiar después del Día Escolar
Con la intención de tener comunicación consistente con las familias, cualquier estudiante que haiga tenido tres o más infracciones disciplinarias en un día escolar o que haiga sido asignado al Salón de Reflexión por dos problemas distintos tendrá que quedarse en la escuela y ser recogido por uno de sus padres. Pediremos a la familia que se reúna con un miembro del personal de Rainier Prep para asegurar que su estudiante tenga éxito el siguiente día escolar. Además, cualquier estudiante que sea asignado al Salón de Reflexión tres o más veces durante una semana, tendrá que tener una reunión familiar con el personal de Rainier Prep para trabajar juntos para crear un plan de acción para que el estudiante pueda sentirse más exitoso en la escuela.

Suspensión en la Escuela
Un estudiante que viole repetidamente el código de conducta o pone en peligro la seguridad de los demás puede recibir una suspensión en la escuela. Durante una suspensión en la escuela, el estudiante deberá completar el trabajo del curso académico separado de sus compañeros de clase y será y se le dará acceso a apoyo tanto académico como de comportamiento. En el caso de suspensión en la escuela, se requiere una reunión con los padres y que el estudiante sea recogido.

Si se suspende su estudiante, un miembro del personal se pondrá en contacto con usted y le proveerá los formularios apropiados.

Suspensión y Expulsión Fuera de la Escuela
Un estudiante que repetidamente y/o gravemente viola el Código de Conducta o pone en peligro la seguridad de los demás puede ser suspendido.

Una suspensión de corto plazo se refiere a la eliminación de un estudiante de la escuela por razones disciplinarias por un período de diez días o menos. Una suspensión de largo plazo se refiere a la eliminación de un estudiante por razones disciplinarias por un período de más de diez días. La expulsión se refiere a la eliminación permanente del estudiante de la escuela por razones disciplinarias.

Si se suspende su estudiante, un miembro del personal de la escuela le llamará para informarle y proveerle los formularios apropiados. Usted debe de hacer arreglos con la escuela para que su alumno pueda completar las tareas asignadas a su estudiante durante su suspensión.

Deshonestidad Académica
En Rainier Prep, valoramos la integridad académica y esperamos que cada estudiante haga su propio trabajo académico a lo mejor de su capacidad en todo tiempo. Violaciones de las reglas sobre la integridad académica resultaran en las siguientes consecuencias:

Mal uso de la tecnología Rainier Prep
La tecnología es una parte importante del modelo escolar de Rainier Prep y una gran herramienta de aprendizaje. Los estudiantes usarán la tecnología para proyectos de investigación, ver videos educativos, crear sitios web, tomar exámenes y mucho más. A medida que los estudiantes se mudan a un mundo más conectado, necesitarán desarrollar habilidades tecnológicas para tener éxito en sus futuros estudios y carreras. Al usar la tecnología tanto dentro como fuera de la escuela, los estudiantes deben responsables y apropiados actuando con la seguridad en mente al usar la tecnología para garantizar que Rainier Prep sea una comunidad en la que todos los estudiantes puedan prosperar.

El uso de la tecnología en la escuela es un privilegio. Si los estudiantes no siguen la POLÍTICA DE USO ACEPTABLE DE LA TECNOLOGÍA DEL ESTUDIANTE Y LOS MEDIOS SOCIALES que se describe en el Apéndice C, así como las expectativas de la asignación descrita por un maestro en la clase, se aplicarán las siguientes consecuencias:

RAINIER PREP
POLÍTICA ANTI-ACOSO, ANTI-INTIMIDACIÓN, ANTI-BULLYING Y ANTI-DISCRIMINACIÓN ESTUDIANTIL
Todos los estudiantes deben sentirse seguros y bienvenidos en la escuela. No toleramos actos de acoso, intimidación, matones o discriminación. Esto incluye comportamientos que tienen lugar fuera de la escuela si dañan a otros o interrumpen la educación de los estudiantes.
Todos somos responsables de detener el acoso, la intimidación, el bullying y la discriminación antes y cuando sucedan.

ACOSO, INTIMIDACIÓN, MATONES Y DISCRIMINACIÓN
En general, el acoso:
• Es dirigido y repetitivo;
• Implica un desequilibrio de poder;
• crea un ambiente hostil; y
• tiene consecuencias negativas importantes.

El acoso, la intimidación, el matón y la discriminación pueden ser comportamientos que son físicos, verbales, sociales, escritos y/o electrónicos. Estos son ejemplos de comportamientos de acoso o matones cuando son dirigidos y repetitivos:
Físico: Golpear, patear, pellizcar, empujar o dañar/tomar por la fuerza la propiedad ajena
Verbal: Insultos, humillaciones, amenazas, burlas o la difusión de rumores dañinos
Social: Deliberadamente dañar amistades o relaciones de otro estudiante
Escrito: Cerrar libros de golpe, grafiti, o los mensajes de texto que hieren o avergüenzan a los demás
Electrónico: Publicar o enviar mensajes, imágenes o correos electrónicos que hieren o avergüenzan a los demás

LA PREVENCIÓN DEL ACOSO, INTIMIDACIÓN, MATONES Y DISCRIMINACIÓN
El respeto hacia los demás es uno de nuestros principios más importantes. Siempre trata a los demás como te gustaría ser tratado. Nunca está bien participar en una conducta de acoso, intimidación o matonear.
Usted es responsable de sus propias acciones, incluso si todos los demás están actuando de manera inapropiada. Mientras que usted no tiene que ser amigo de cada estudiante en la escuela, usted tiene que ser respetuosos en todo momento.
**Acoso sexual:**

Los estudiantes y el personal están protegidos contra el acoso sexual por parte de cualquier persona en cualquier programa o actividad escolar, incluso en el campus de la escuela, en el autobús escolar o fuera del campus durante una actividad patrocinada por la escuela.

*El acoso sexual es un comportamiento o comunicación no deseada que es de naturaleza sexual cuando:*

- Se hace creer a un estudiante o empleado que debe someterse a conductas o comunicaciones sexuales no deseadas para obtener algo a cambio, como una calificación, un ascenso, un lugar en un equipo deportivo o cualquier decisión educativa o laboral, o
- La conducta interfiere sustancialmente con el desempeño educativo de un estudiante o crea un ambiente educativo o laboral intimidante u hostil.

**Ejemplos de acoso sexual:**

- Presionar a una persona para obtener favores sexuales.
- Toques no deseados de naturaleza sexual.
- Escribir grafitis de carácter sexual.
- Distribuir textos, correos electrónicos o imágenes sexualmente explícitos.
- Hacer bromas sexuales, rumores o comentarios sugerentes.
- Violencia física, incluidas violaciones y agresiones sexuales

**REPORTAR ACOSO, INTIMIDACIÓN, MATONES Y DISCRIMINACIÓN**

Informe a su maestro, un administrador u otro adulto (incluyendo un padre/tutor) de inmediato si cree que usted está o alguien más está siendo acosado, intimidado o discriminado. Los padres/tutores también pueden informar de este tipo de actos potenciales a los maestros y administradores. Rainier Prep investigará y pondrá fin a todo tipo de acoso, intimidación y discriminación. Los informes pueden hacerse verbalmente o por escrito. Para cualquier pregunta adicional, preocupaciones o información sobre las políticas y procedimientos de Rainier Prep, por favor, póngase en contacto con el Oficial de Cumplimiento de Rainier Prep. También tiene derecho a presentar una queja (consulte a continuación). Se proporciona una copia de la política y el procedimiento de acoso sexual de su distrito en el Apéndice D del Manual para estudiantes y familias disponible en el sitio web de Rainier Prep: [www.rainierprep.org](http://www.rainierprep.org).

**CONSECUENCIAS**

Los estudiantes serán disciplinados por violar esta política hasta e incluyendo la suspensión y expulsión.

**NO REPRESALIAS**

No habrá represalias contra cualquier persona que, de buena fe, informe o ayude en la investigación de posibles actos de acoso, intimidación, matones o discriminación.

**PROCESO DE QUEJA AL DISTRITO ESCOLAR DE RAINIER PREP**

**Paso 1. Escriba su queja**

En la mayoría de los casos, las quejas deben presentarse dentro de un año a partir de la fecha del incidente o conducta que es el tema de la queja. La queja debe presentarse por escrito. Asegúrese de describir la conducta o el incidente, explique por qué cree que ha ocurrido discriminación, acoso discriminatorio o acoso sexual, y describa qué acciones cree que el distrito debería tomar para resolver el problema. Envíe su queja por escrito, por correo, fax, correo electrónico o entrega en persona, al superintendente de distrito o al coordinador de cumplimiento de derechos civiles.
Paso 2: el distrito escolar investiga su queja

Una vez que el distrito reciba su queja por escrito, el coordinador le dará una copia del procedimiento de queja y se asegurará de que se lleve a cabo una investigación rápida y exhaustiva. El superintendente o su designado le responderá por escrito dentro de los 30 días calendario, a menos que usted acuerde un período de tiempo diferente. Si su queja involucra circunstancias excepcionales que exigen una investigación más extensa, el distrito le notificará por escrito para explicar por qué el personal necesita una extensión de tiempo y la nueva fecha para su respuesta por escrito.

Paso 3: el distrito escolar responde a su queja

En su respuesta por escrito, el distrito incluirá un resumen de los resultados de la investigación, una determinación de si el distrito no cumplió con las leyes de derechos civiles, una notificación de que puede apelar esta determinación y cualquier medida necesaria para llevar al distrito de conformidad con las leyes de derechos civiles. Las medidas correctivas entrarán en vigencia dentro de los 30 días calendario posteriores a esta respuesta por escrito, a menos que acepte un período de tiempo diferente.

Apelación al distrito escolar

Si no está de acuerdo con la decisión del distrito escolar, puede apelar a la junta directiva del distrito escolar. Debe presentar una notificación de apelación por escrito al secretario de la junta escolar dentro de los 10 días calendario posteriores a la recepción de la respuesta del distrito escolar a su queja. La junta escolar programará una audiencia dentro de los 20 días calendario posteriores a la recepción de su apelación, a menos que usted esté de acuerdo con un cronograma diferente. La junta escolar le enviará una decisión por escrito dentro de los 30 días calendario posteriores a la recepción del aviso de apelación por parte del distrito. La decisión de la junta escolar incluirá información sobre cómo presentar una queja ante la Oficina del Superintendente de Instrucción Pública (OSPI).

Queja ante OSPI

Si no está de acuerdo con la decisión de apelación del distrito escolar, la ley estatal brinda la opción de presentar una queja formal ante la Oficina del Superintendente de Instrucción Pública (OSPI). Este es un proceso de queja por separado que puede tener lugar si se ha producido una de estas dos condiciones: (1) ha completado el proceso de queja y apelación del distrito, o (2) el distrito no ha seguido correctamente el proceso de queja y apelación.

Tiene 20 días calendario para presentar una queja ante la OSPI a partir del día en que recibió la decisión sobre su apelación. Puede enviar su queja por escrito a la Oficina de Equidad y Derechos Civiles de OSPI:

Correo electrónico: Equity@k12.wa.us | Fax: 360-664-2967
Correo o entrega en mano: PO Box 47200, 600 Washington St. S.E., Olympia, WA 98504-7200

Rainier Prep puede supervisar el uso de su tecnología en cualquier momento. Rainier Prep también puede utilizar el software de filtro que bloquea el contenido y/o sitios web inapropiados.

Por “tecnología” nos referimos a las computadoras, tabletas, teléfonos, dispositivos móviles, Internet, medios de comunicación social (que incluye Facebook, Instagram y otros), blogs, correo electrónico, salas de chat y otros servicios en línea.

Esta política cubre el uso de cualquier tecnología (tecnología no sólo propiedad de la escuela), incluyendo el uso fuera de la escuela, que podría interrumpir la escuela o la educación de los estudiantes y/o interferir con los derechos de otros. Esta política pretende ser representativa, y no cubre cada situación.

CUÍDESE

- Nunca comparta su información o imágenes con desconocidos
- Si se encuentra con alguien en línea (internet), no se introduzca a esa persona
- Si alguien le envía un mensaje que lo incómoda, dígale a sus padres o un maestro de inmediato

SEA APROPIADO

- Sea cortés, amable y respetuoso. Está bien estar en desacuerdo con las opiniones de otros, pero hágalo con respeto
- El acoso, lenguaje inapropiado, la intimidación y el acoso no serán tolerados. No es aceptable ser malo, burlarse de, avergonzar o molestar a otros. Tampoco se puede maldecir o usar otro lenguaje en línea que usted no sería capaz de usar en la escuela.
- ¡No se debe publicar cualquier cosa que usted no quisiere que amigos, padres, maestros, oficiales de admisión a la universidad, o un futuro empleado viera! (Incluso si piensa que su sitio es privado, probablemente no lo es – la gente puede ver y compartir lo que publicas, ahora y en el futuro).
- No se haga “amigo” de sus profesores u otro personal de Rainier Prep en línea
- No ver, enviar o publicar mensajes o imágenes que serían inapropiados para la escuela, puedan herir a otra persona y/o interrumpirían la escuela
- Respete la privacidad de los demás
- No finjas que eres otra persona o utilices la identidad de otra persona en línea
- Haga su propio trabajo. No plagiar (presentar ideas o escritos de otros como el suyo propio)

SEA RESPONSABLE

- USTED es responsable por SU conducta en línea
- Al utilizar la tecnología en la escuela, siga las instrucciones del profesor
- No copee o descargue libros, música, películas, imágenes o cualquier otra cosa sin el permiso del propietario.
- No aposte o participe en actividades ilegales en línea.
- Si no está seguro de si algo viola esta política, pregunte a su maestro/a
- Si alguien viola esta política, informe inmediatamente la violación a un maestro
- Si accidentalmente se encuentra con algo inadecuado, notifique al personal de la escuela inmediatamente
