ABOUT RAINIER PREP:
Rainier Prep is a rigorous college preparatory 5th – 8th public charter school located on the border of South Seattle and Burien, WA. Rainier Prep is achieving radically different outcomes for students who historically have experienced the most obstacles to college degrees and representation in leadership positions. Although state tests don't represent all that our amazing students are capable of, we are proud to share that on the most recent state Smarter Balanced assessments, Black and Latinx students at Rainier Prep performed at two times the proficiency rate in both math and science compared to their district peers, while also achieving a greater percentage of high growth year over year.
